Section 1 - EIA Regulation 9 list of consultees identified by PINS

Date: May 2018

**PROPOSED Hornsea Project Three Offshore Wind Farm**

**PROJECT REFERENCE: EN010080**

**LIST OF PRESCRIBED CONSULTATION BODIES NOTIFIED BY THE PLANNING INSPECTORATE UNDER  
REGULATION 9(1)(a) OF THE INFRASTRUCTURE PLANNING (ENVIRONMENTAL IMPACT ASSESSMENT)  
REGULATIONS 2009 (AS AMENDED)**

**6 December 2016**

This information has been provided in accordance with Regulation 9(1)(b) of the EIA Regulations in response to a Regulation 6 notification received from DONG Energy Ltd on 26 October 2016. The table below lists the bodies that the Planning Inspectorate (PINS) has notified under Regulation 9(1)(a) of the EIA Regulations and they have been identified based on the red line boundary provided by the Applicant as a shapefile in the correspondence dated 17 October 2016.

When meeting their statutory pre-application obligations, the Applicant must make diligent inquiries, carry out their own investigations and take legal advice, as appropriate. Whilst the list of bodies identified by the Secretary of State can inform the Applicant's own consultation, it should not be relied upon for that purpose. The Applicant should also have regard to the relevant guidance prepared by the Planning Inspectorate, which is available via the National Infrastructure Planning website<sup>1</sup>.

Please note that the Prescribed Consultation Bodies have been identified and notified in accordance with the Planning Inspectorate's Advice Note three: EIA Notification and Consultation (Version 6, June 2015), which is available from the National Infrastructure Planning website<sup>1</sup>.

Whilst the non-prescribed consultation bodies have been notified by PINS, as they are not prescribed consultees the duty imposed under Regulation 9 (3) of the EIA Regulations (if requested by the Applicant, to make information relevant to the preparation of the environmental statement available) does not apply to these consultees.
