

## Welcome to Avedøre Port

You can dispose almost any kind of waste at Avedøre Port. We kindly ask you to sort the waste in the categories on the pictures below.

Please make an appointment with the stevedore and they will assist you.

Examples of “Other sortable waste” could be wood, rubber, PVC or used rope/line but please ask the port office if you have questions.

**NB:** If you have waste out of category please place it next to the waste station and notify the port office.
