Upon the issue by the Issuer of any Notes expressed to be constituted by this Trust Deed, such Notes shall forthwith be constituted by this Trust Deed without any further formality and irrespective of whether or not the issue of such Notes contravenes any covenant or other restriction in this Trust Deed or the Programme Limit.

2.2 Separate Series

The provisions of Clauses 2.3, 2.4, 2.5 and 2.6 and of Clauses 3 to 18 and Schedule 3 (all inclusive) shall apply *mutatis mutandis* separately and independently to the Notes of each Series and in such Clauses and Schedule the expressions “**Noteholders**”, “**Certificates**”, “**Receipts**”, “**Coupons**”, “**Couponholders**” and “**Talons**”, together with all other terms that relate to Notes or their Conditions, shall be construed as referring to those of the particular Series in question and not of all Series unless expressly so provided, so that each Series shall be constituted by a separate trust pursuant to Clause 2.3 and that, unless expressly provided, events affecting one Series shall not affect any other.

2.3 Covenant to Pay

The Issuer shall on any date when any Notes become due to be redeemed, in whole or in part, unconditionally pay to or to the order of the Trustee in the Contractual Currency, in the case of any Contractual Currency other than euro, in the principal financial centre for the

Contractual Currency and in the case of euro, in a city in which banks have access to the TARGET System, in same day funds the Redemption Amount of the Notes becoming due for redemption on that date together with any applicable premium and shall (subject to the Conditions) until such payment (both before and after judgment) unconditionally so pay to or to the order of the Trustee interest in respect of the nominal amount of the Notes outstanding as set out in the Conditions (subject to Clause 2.6) provided that (i) subject to the provisions of Clause 2.5, payment of any sum due in respect of the Notes made to the Issuing and Paying Agent as provided in the Agency Agreement shall, to that extent, satisfy such obligation except to the extent that there is failure in its subsequent payment to the relevant Noteholders or Couponholders under the Conditions and (ii) a payment made after the due date or as a result of the Note becoming repayable following an Event of Default shall be deemed to have been made when the full amount due has been received by the Issuing and Paying Agent or the Trustee and notice to that effect has been given to the Noteholders (if required under Clause 9.8), except to the extent that there is failure in its subsequent payment to the relevant Noteholders or Couponholders under the Conditions. This covenant shall only have effect each time Notes are issued and outstanding, when the Trustee shall hold the benefit of this covenant on trust for the Noteholders and Couponholders of the relevant Series.

2.4 Discharge

Subject to Clause 2.5, any payment to be made in respect of the Notes, Receipts or the Coupons by the Issuer, the Guarantor or the Trustee may be made as provided in the Conditions and any payment so made shall (subject to Clause 2.5) to that extent be a good discharge to the Issuer, the Guarantor or the Trustee, as the case may be (including, in the case of Notes represented by an NGN, whether or not the corresponding entries have been made in the records of Euroclear and Clearstream, Luxembourg).

2.5 Payment after a Default

At any time after an Event of Default or a Potential Event of Default has occurred in relation to a particular Series the Trustee may:

2.5.1 by notice in writing to the Issuer, the Guarantor, the Paying Agents and the Transfer Agents, require the Paying Agents and the Transfer Agents, until notified by the Trustee to the contrary, so far as permitted by applicable law:

- (i) to act as Paying Agents and Transfer Agents of the Trustee under this Trust Deed and the Notes of such Series on the terms of the Agency Agreement (with consequential amendments as necessary and except that the Trustee's liability for the indemnification, remuneration and expenses of the Paying Agents and the Transfer Agents shall be limited to the amounts for the time being held by the Trustee in respect of such Series on the terms of this Trust Deed) and thereafter to hold all Notes, Certificates, Receipts, Coupons and Talons of such Series and all moneys, documents and records held by them in respect of Notes, Certificates, Receipts, Coupons and Talons of such Series to the order of the Trustee; or
- (ii) to deliver all Notes, Certificates, Receipts, Coupons and Talons of such Series and all moneys, documents and records held by them in respect of the Notes, Certificates, Receipts, Coupons and Talons to the Trustee or as the Trustee directs in such notice; and

2.6 Rate of Interest After a Default

If the Notes bear interest at a floating or other variable rate and they become immediately payable under the Conditions, the rate of interest payable in respect of them shall continue to be calculated by the Calculation Agent in accordance with the Conditions (with consequential amendments as necessary) except that the rates of interest need not be published unless the Trustee otherwise requires. The first period in respect of which interest shall be so calculable shall commence on the expiry of the Interest Period during which the Notes become so repayable.

3 Guarantee and Indemnity

3.1 Guarantee

The Guarantor unconditionally and irrevocably guarantees that if the Issuer does not pay any sum payable by it under this Trust Deed, the Notes, the Receipts or the Coupons by the time and on the date specified for such payment (whether on the normal due date, on acceleration or otherwise), the Guarantor shall pay that sum to or to the order of the Trustee, in the manner provided in Clause 2.3 (or if in respect of sums due under Clause 10, in pounds sterling in London in immediately available funds) before close of business on that date in the city to which payment is so to be made. Clauses 2.3(i) and 2.3(ii) shall apply (with consequential amendments as necessary) to such payments other than those in respect of sums due under Clause 10. All payments under the Upstream Guarantee by the Guarantor shall be made subject to Condition 9 and Clause 5.2.

3.2 Guarantor as Principal Debtor

As between the Guarantor and the Trustee, the Noteholders and the Couponholders but without affecting the Issuer's obligations, the Guarantor shall be liable under this Clause as if it were the sole principal debtor and not merely a surety. Accordingly, it shall not be discharged, nor shall its liability be affected, by anything that would not discharge it or affect its liability if it were the sole principal debtor (including (1) any time, indulgence, waiver or consent at any time given to the Issuer or any other person, (2) any amendment to any other provisions of this Trust Deed or to the Conditions or to any security or other guarantee or indemnity, (3) the making or absence of any demand on the Issuer or any other person for payment, (4) the enforcement or absence of enforcement of this Trust Deed, the Notes, the Receipts or the Coupons or of any security or other guarantee or indemnity, (5) the taking, existence or release of any security, guarantee or indemnity, (6) the dissolution, amalgamation, reconstruction or reorganisation of the Issuer or any other person or (7) the illegality, invalidity or unenforceability of or any defect in any provision of this Trust Deed, the Notes, the Receipts or the Coupons or any of the Issuer's obligations under any of them.

3.3 Guarantor's Obligations Continuing

The Guarantor's obligations under this Trust Deed are and shall remain in full force and effect by way of continuing security until no sum remains payable under this Trust Deed, the Notes, the Receipts or the Coupons. Furthermore, those obligations of the Guarantor are additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person, whether from the Guarantor or otherwise and may be enforced without first having recourse to the Issuer or any other person, any security or any other guarantee or indemnity. The Guarantor irrevocably waives all notices and demands of any kind.

3.4 Exercise of Guarantor's Rights

So long as any sum remains payable under this Trust Deed, the Notes, the Receipts or the Coupons:

- 3.4.1 any right of the Guarantor, by reason of the performance of any of its obligations under this Clause 3, to be indemnified by the Issuer or to take the benefit of or to enforce any security or other guarantee or indemnity shall be exercised and enforced by the Guarantor only in such manner and on such terms as the Trustee may require or approve; and
- 3.4.2 any amount received or recovered by the Guarantor (a) as a result of any exercise of any such right or (b) in the dissolution, amalgamation, reconstruction or reorganisation of the Issuer shall be held on trust for the Trustee and immediately paid to the Trustee and the Trustee shall hold it on the trusts set out in Clause 6.1.

3.5 Suspense Accounts

Any amount received or recovered by the Trustee (otherwise than as a result of a payment by the Issuer to the Trustee in accordance with Clause 2) in respect of any sum payable by the Issuer under this Trust Deed, the Notes, the Receipts or the Coupons may be placed in a suspense account and kept there for so long as the Trustee thinks fit.

3.6 Avoidance of Payments

The Guarantor shall on demand indemnify the Trustee, each Noteholder and each Couponholder against any cost, loss, expense or liability properly sustained or incurred by it as a result of it being required for any reason (including any bankruptcy, insolvency, winding-up, dissolution, or similar law of any jurisdiction) to refund all or part of any amount received or recovered by it in respect of any sum payable by the Issuer under this Trust Deed, any Note or any Receipt or Coupon relating to that Note and shall in any event pay to it on demand the amount as refunded by it.

3.7 Debts of Issuer

If any moneys become payable by the Guarantor under this Guarantee, the Issuer shall not (except in the event of the liquidation of the Issuer) so long as any such moneys remain unpaid, pay any moneys for the time being due from the Issuer to the Guarantor.

3.8 Indemnity in respect of amounts payable by the Guarantor

As separate, independent and alternative stipulations, the Guarantor unconditionally and irrevocably agrees (1) that any sum that, although expressed to be payable by the Issuer under this Trust Deed, the Notes or the Receipts or Coupons, is for any reason (whether or

not now existing and whether or not now known or becoming known to the Issuer, the Guarantor, the Trustee or any Noteholder or Couponholder) not recoverable from the Guarantor on the basis of a guarantee shall nevertheless be recoverable from it as if it were the sole principal debtor and shall be paid by it to the Trustee on demand and (2) as a primary obligation to indemnify the Trustee, each Noteholder and each Couponholder against any loss suffered by it as a result of any sum expressed to be payable by the Issuer under this Trust Deed, the Notes or the Receipts or Coupons not being paid on the date and otherwise in the manner specified in this Trust Deed or any payment obligation of the Issuer under this Trust Deed, the Notes, the Receipts or the Coupons being or becoming void, voidable or unenforceable for any reason (whether or not now existing and whether or not now known or becoming known to the Trustee, any Noteholder or any Couponholder), the amount of that loss being the amount expressed to be payable by the Issuer in respect of the relevant sum. This indemnity shall continue in full force and effect as regards the Trustee even if it is no longer acting in its capacity as Trustee under this Trust Deed.

3.9 Guarantor's liability

Subject to the foregoing provisions of this Clause 3 and for the avoidance of doubt:

- 3.9.1 the Guarantor's liability in respect of any matter hereunder shall be no greater in amount or duration than it would have been if it had been named as an issuer under this Trust Deed, the Notes, the Coupons, the Receipts and the Talons having joint and several liability with the Issuer; and
- 3.9.2 with respect to any claim, action or proceeding against the Guarantor in connection with this Clause 3, the Guarantor shall be entitled to rely upon those defences which the Issuer would be able to assert under this Trust Deed if a claim, action or proceeding relating to the corresponding liability of the Issuer were to be asserted or instituted against the Issuer.

4 Form of the Notes

4.1 The Global Notes

The Notes shall initially be represented by a temporary Global Note, a permanent Global Note or one or more Certificates in the nominal amount of the Tranche being issued. Interests in temporary Global Notes shall be exchangeable for Definitive Notes, Registered Notes or interests in permanent Global Notes as set out in each temporary Global Note. Interests in permanent Global Notes shall be exchangeable for Definitive Notes and/or Registered Notes as set out in each permanent Global Note.

4.2 The Definitive Notes

The Definitive Notes, Receipts, Coupons and Talons shall be security printed and the Certificates shall be printed, in each case in accordance with applicable legal and stock exchange requirements substantially in the forms set out in Schedule 2. The Notes and Certificates (other than Global Certificates) shall be endorsed with the Conditions.

4.3 Signature

The Notes, Certificates, Receipts, Coupons and Talons shall be signed manually or in facsimile by a Director of the Issuer, the Notes shall be authenticated by or on behalf of the Issuing and Paying Agent and the Certificates shall be authenticated by or on behalf of the

Registrar. The Issuer may use the facsimile signature of a person who at the date of this Trust Deed is such a Director even if at the time of issue of any Notes, Certificates, Receipts, Coupons or Talons he no longer holds that office. In the case of a Global Note which is an NGN or a Global Certificate which is held under the NSS, the Issuing and Paying Agent shall also instruct the Common Safekeeper to effectuate the same. Notes, Certificates, Receipts, Coupons and Talons so executed and authenticated (and effectuated, if applicable) shall be or, in the case of Certificates, represent binding and valid obligations of the Issuer.

5 Stamp Duties and Taxes

5.1 Stamp Duties

The Issuer, failing whom the Guarantor, shall pay any stamp, issue, documentary or other taxes and duties, including interest and penalties, payable in Denmark, Belgium, Luxembourg, the United Kingdom and the country of each Contractual Currency in respect of the creation, issue and offering of the Notes, Certificates, Receipts, Coupons and Talons and the execution or delivery of this Trust Deed. Each of the Issuer and the Guarantor shall also indemnify the Trustee, the Noteholders and the Couponholders from and against all stamp, issue, documentary or other taxes or duties paid by any of them in any jurisdiction in connection with any action taken by or on behalf of the Trustee or, as the case may be, the Noteholders or the Couponholders to enforce the Issuer's and/or the Guarantor's obligations under this Trust Deed or the Notes, Certificates, Receipts, Coupons or Talons.

5.2 Change of Taxing Jurisdiction

If the Issuer or the Guarantor becomes subject generally to the taxing jurisdiction of a territory or a taxing authority of or in that territory with power to tax other than or in addition to Denmark or any such authority of or in such territory then the Issuer or, as the case may be, the Guarantor shall (unless the Trustee otherwise agrees) give the Trustee an undertaking satisfactory to the Trustee in terms corresponding to the terms of Condition 9 with the substitution for, or (as the case may require) the addition to, the references in that Condition to Denmark of references to that other or additional territory or authority to whose taxing jurisdiction the Issuer or the Guarantor has become so subject. In such event this Trust Deed and the Notes, Certificates, Receipts, Coupons and Talons shall be read accordingly.

6 Application of Moneys received by the Trustee

6.1 Declaration of Trust

All moneys received by the Trustee in respect of the Notes or amounts payable under this Trust Deed shall, despite any appropriation of all or part of them by the Issuer or the Guarantor, be held by the Trustee on trust to apply them (subject to Clause 6.2):

- 6.1.1** *first*, in payment of all costs, charges, expenses and liabilities properly incurred by the Trustee (including remuneration payable to it) in carrying out its functions under this Trust Deed;
- 6.1.2** *secondly*, in payment of any amounts owing in respect of the Notes, Receipts or Coupons *pari passu* and rateably; and
- 6.1.3** *thirdly*, in payment of any balance to the Issuer for itself or, if any moneys were received from the Guarantor and to the extent of such moneys, the Guarantor.

If the Trustee holds any moneys in respect of Notes, Receipts or Coupons that have become void or in respect of which claims have become prescribed, the Trustee shall hold them on these trusts.

6.2 Accumulation

If the amount of the moneys at any time available for payment in respect of the Notes under Clause 6.1 is less than 10 per cent. of the nominal amount of the Notes then outstanding, the Trustee may, at its discretion, invest such moneys. The Trustee may retain such investments and accumulate the resulting income until the investments and the accumulations, together with any other funds for the time being under its control and available for such payment, amount to at least 10 per cent. of the nominal amount of the Notes then outstanding and then such investments, accumulations and funds (after deduction of, or provision for, any applicable taxes) shall be applied as specified in Clause 6.1.

6.3 Investment

Moneys held by the Trustee may be invested in its name or under its control in any investments or other assets anywhere whether or not they produce income or deposited in its name or under its control at such bank or other financial institution in such currency as the Trustee may, in its absolute discretion, think fit. If that bank or institution is the Trustee or a subsidiary, holding or associated company of the Trustee, it need only account for an amount of interest equal to the standard amount of interest payable by it on such a deposit to an independent customer. The Trustee may at any time vary or transpose any such investments or assets or convert any moneys so deposited into any other currency, and shall not be responsible for any resulting loss, whether by depreciation in value, change in exchange rates or otherwise.

7 Enforcement

7.1 Proceedings brought by the Trustee

At any time after the Notes of any Series shall have become immediately due and repayable, the Trustee may at its discretion and without further notice take such proceedings as it may think fit against the Issuer to enforce repayment thereof together with premium (if any) and accrued interest and any other moneys payable pursuant to this Trust Deed and may, in order to enforce the obligations of the Guarantor under this Trust Deed, at its discretion and without further notice take such proceedings as it may think fit against the Guarantor.

7.2 Proof of default

Should the Trustee take legal proceedings against the Issuer or the Guarantor (as the case may be) to enforce any of the provisions of this Trust Deed:

7.2.1 proof therein that as regards any specified Note the Issuer or the Guarantor (as the case may be) has made default in paying any principal, premium or interest due in respect of such Note shall (unless the contrary be proved) be sufficient evidence that the Issuer or the Guarantor (as the case may be) has made the like default as regards all other Notes which are then due and repayable; and

7.2.2 proof therein that as regards any specified Coupon the Issuer or the Guarantor (as the case may be) has made default in paying any interest due in respect of such

Coupon shall (unless the contrary be proved) be sufficient evidence that the Issuer or the Guarantor (as the case may be) has made the like default as regards all other Coupons which are then due and payable.

8 Proceedings

8.1 Action taken by Trustee

The Trustee shall not be bound to take any such proceedings as are mentioned in Clause 7.1 unless respectively directed or requested to do so (i) by an Extraordinary Resolution or (ii) in writing by the holders of at least one-fifth in nominal amount of the Notes of the relevant Series then outstanding and in either case then only if it shall be indemnified and/or secured and/or prefunded to its satisfaction against all actions, proceedings, claims and demands to which it may thereby render itself liable and all costs, charges, damages and expenses which it may incur by so doing.

8.2 Trustee only to enforce

Only the Trustee may enforce the provisions of this Trust Deed. No holder shall be entitled to proceed directly against the Issuer or the Guarantor to enforce the performance of any of the provisions of this Trust Deed unless the Trustee having become bound as aforesaid to take proceedings fails to do so within a reasonable period and such failure shall be continuing.

9 Covenants

So long as any Note is outstanding, the Issuer and the Guarantor shall each:

9.1 Books of Account

Keep, and procure that each of its Subsidiaries keeps, proper books of account and, at any time after an Event of Default or Potential Event of Default has occurred or if the Trustee reasonably believes that such an event has occurred, so far as permitted by applicable law, allow, and procure that each such Subsidiary shall allow, the Trustee and anyone appointed by it to whom the Issuer, the Guarantor and/or the relevant Subsidiary has no reasonable objection, access to its books of account at all reasonable times during normal business hours.

9.2 Notice of Events of Default

Notify the Trustee in writing immediately on becoming aware of the occurrence of any Event of Default or Potential Event of Default.

9.3 Information

So far as permitted by applicable law, give the Trustee such information as it reasonably requires to perform its functions.

9.4 Financial Statements etc.

Send to the Trustee at the time of their issue and, in the case of annual financial statements, in any event within 180 days of the end of each financial year, three copies in English of every balance sheet, profit and loss account, report or other notice, statement or circular issued, or that legally or contractually should be issued, to the members or creditors (or any

class of them) of the Issuer or the Guarantor or any holding company thereof generally in their capacity as such.

9.5 Certificate of Directors

Send to the Trustee, within 14 days of its annual audited financial statements being made available to its members, and also within 14 days of any request by the Trustee a certificate of the Issuer or, as the case may be, the Guarantor, signed by any two of its Directors that, having made all reasonable enquiries, to the best of the knowledge, information and belief of the Issuer or, as the case may be, the Guarantor as at a date (the “**Certification Date**”) not more than five days before the date of the certificate no Event of Default or Potential Event of Default or other breach of this Trust Deed had occurred since the Certification Date of the last such certificate or (if none) the date of this Trust Deed or, if such an event had occurred, giving details of it and that it has complied with its obligations under the Trust Deed.

9.6 Notices to Noteholders

Send to the Trustee the form of each notice to be given to Noteholders and, once given, two copies of each such notice, such notice to be in a form approved by the Trustee subject to applicable mandatory requirements under the rules on listed securities (such approval, unless so expressed, not to constitute approval for the purposes of section 21 of the FSMA of any such notice which is a communication within the meaning of section 21 of the FSMA).

9.7 Further Acts

So far as permitted by applicable law, do such further things as may be reasonably necessary in the opinion of the Trustee to give effect to this Trust Deed.

9.8 Notice of Late Payment

Forthwith upon request by the Trustee give notice to the Noteholders of any unconditional payment to the Issuing and Paying Agent or the Trustee of any sum due in respect of the Notes, the Receipts or Coupons made after the due date for such payment.

9.9 Listing and Trading

If the Notes are so listed and traded, use all reasonable endeavours to maintain the listing of the Notes on the official list of the CSSF, in its capacity as competent authority under the Luxembourg Act dated 16 July 2019 on prospectuses for securities and the Prospectus Regulation, and the trading of such Notes on the Market but, if it is unable to do so, having used such endeavours, or if the maintenance of such listing or trading is agreed by the Trustee to be unduly onerous and the Trustee is satisfied that the interests of the Noteholders would not be thereby materially prejudiced, instead use all reasonable endeavours to obtain and maintain a listing of the Notes on another stock exchange or the admission to trading of the Notes on another market, in each case approved in writing by the Trustee.

9.10 Change in Agents

Give at least 14 days' prior notice to the Noteholders of any future appointment, resignation or removal of an Agent or of any change by an Agent of its specified office and not make any such appointment or removal without the Trustee's written approval.

9.11 Provision of Legal Opinions

Procure the delivery of legal opinions addressed to the Trustee dated the date of such delivery, in form and content acceptable to the Trustee:

- 9.11.1 from a recognised Danish law firm as to the laws of Denmark and from a recognised English law firm as to the laws of England on each anniversary of this Trust Deed and on the date of any amendment or supplement to this Trust Deed;
- 9.11.2 from legal advisers, reasonably acceptable to the Trustee as to such law as may reasonably be requested by the Trustee, on the issue date for the Notes in the event of a proposed issue of Notes of such a nature and having such features as might lead the Trustee to conclude that it would be prudent, having regard to such nature and features, to obtain such legal opinion(s) or in the event that the Trustee considers it prudent in view of a change (or proposed change) in (or in the interpretation or application of) any applicable law, regulation or circumstance affecting the Issuer, the Guarantor, the Trustee, the Notes, the Certificates, the Receipts, the Coupons, the Talons, this Trust Deed or the Agency Agreement; and
- 9.11.3 on each occasion on which a legal opinion is given to any Dealer in relation to any Notes pursuant to the Dealer Agreement.

9.12 Notes Held by Issuer etc.

Send to the Trustee as soon as practicable after being so requested by the Trustee a certificate of the Issuer or, as the case may be, the Guarantor signed by any two of its Directors stating the number of Notes held at the date of such certificate by or on behalf of the Issuer, the Guarantor or their respective Subsidiaries.

9.13 Material Subsidiaries

Give to the Trustee at the same time as sending the certificate referred to in Clause 9.5 or within 28 days of a request by the Trustee, a certificate signed by any two Directors of the Issuer and the Guarantor listing those Subsidiaries of the Issuer and the Guarantor that as at the last day of the last financial year of the Issuer and the Guarantor or as at the date specified in such request were Material Subsidiaries.

10 Remuneration and Indemnification of the Trustee

10.1 Normal Remuneration

So long as any Note is outstanding the Issuer shall pay the Trustee as remuneration for its services as Trustee such sum on such dates in each case as they may from time to time agree. Such remuneration shall accrue from day to day from the date of this Trust Deed. However, if any payment to a Noteholder or Couponholder of moneys due in respect of any Note, Receipts or Coupon is improperly withheld or refused, such remuneration shall again accrue as from the date of such withholding or refusal until payment to such Noteholder or Couponholder is duly made.

10.2 Extra Remuneration

If an Event of Default or Potential Event of Default shall have occurred or if the Trustee finds it expedient or necessary or is requested by the Issuer to undertake duties that they agree to be of an exceptional nature or otherwise outside the scope of the Trustee's normal duties

under this Trust Deed, the Issuer shall pay such additional remuneration as they may agree or, failing agreement as to any of the matters in this Clause 10.2 (or as to such sums referred to in Clause 10.1), as determined by a financial institution (acting as an expert) selected by the Trustee and approved by the Issuer or, failing such approval, nominated by the President for the time being of The Law Society of England and Wales. The expenses involved in such nomination and such financial institution's fee shall be borne by the Issuer. The determination of such financial institution shall be conclusive and binding on the Issuer, the Guarantor, the Trustee, the Noteholders and the Couponholders.

10.3 Expenses

The Issuer shall also on demand by the Trustee pay or discharge all costs, charges, liabilities and expenses properly incurred by the Trustee in the preparation and execution of this Trust Deed and the performance of its functions under this Trust Deed including, but not limited to, legal and travelling expenses and any stamp, documentary or other taxes or duties paid or payable by the Trustee in connection with any legal proceedings reasonably brought or reasonably contemplated by the Trustee against the Issuer or the Guarantor to enforce any provision of this Trust Deed, the Notes, the Receipts, the Coupons or the Talons. Such costs, charges, liabilities and expenses shall:

- 10.3.1 in the case of payments made by the Trustee before such demand, carry interest from the date of the demand at the rate of 2 per cent. per annum over the base rate of Citibank, N.A. on the date on which the Trustee made such payments; and
- 10.3.2 in other cases, carry interest at such rate from 30 days after the date of the demand or (where the demand specifies that payment is to be made on an earlier date) from such earlier date.

10.4 Indemnity in favour of the Trustee

The Issuer and the Guarantor will each on demand by the Trustee indemnify it in respect of Amounts or Claims paid or incurred by it in acting as trustee under this Trust Deed (including (i) any Agent/Delegate Liabilities and (ii) in respect of disputing or defending any Amounts or Claims made against the Trustee or any Agent/Delegate Liabilities). The Issuer and the Guarantor will on demand by such agent or delegate indemnify it against such Agent/Delegate Liabilities. "**Amounts or Claims**" are losses, liabilities, costs, claims, actions, demands or expenses and "**Agent/Delegate Liabilities**" are Amounts or Claims which the Trustee is or would be obliged to pay or reimburse to any of its agents or delegates appointed pursuant to this Trust Deed. The Contracts (Rights of Third Parties) Act 1999 applies to this Clause 10.4.

10.5 Continuing Effect

Clauses 10.3 and 10.4 shall continue in full force and effect as regards the Trustee even if it no longer is Trustee.

11 Provisions Supplemental to the Trustee Act 1925 and the Trustee Act 2000

11.1 Advice

The Trustee may act on the opinion or advice of, or information obtained from, any expert and shall not be responsible to anyone for any loss occasioned by so acting whether such advice is obtained or addressed to the Issuer, the Trustee or any other person. Any such

opinion, advice or information may be sent or obtained by letter or electronic communication and the Trustee shall not be liable to anyone for acting in good faith on any opinion, advice or information purporting to be conveyed by such means even if it contains some error or is not authentic.

11.2 Trustee to Assume Performance

The Trustee need not notify anyone of the execution of this Trust Deed or do anything to find out if an Event of Default or Potential Event of Default has occurred. Until it has actual knowledge or express notice to the contrary, the Trustee may assume that no such event has occurred and that the Issuer and the Guarantor are performing all their obligations under this Trust Deed, the Notes, the Receipts, the Coupons and the Talons.

11.3 Resolutions of Noteholders

The Trustee shall not be responsible for having acted in good faith on a resolution purporting to have been passed at a meeting of Noteholders in respect of which minutes have been made and signed even if it is later found that there was a defect in the constitution of the meeting or the passing of the resolution or that the resolution was not valid or binding on the Noteholders or Couponholders.

11.4 Certificate Signed by Directors

If the Trustee, in the exercise of its functions, requires to be satisfied or to have information as to any fact or the expediency of any act, it may call for and accept as sufficient evidence of that fact or the expediency of that act a certificate signed by any two Directors of the Issuer or the Guarantor as to that fact or to the effect that, in their opinion, that act is expedient and the Trustee need not call for further evidence and shall not be responsible for any loss occasioned by acting on such a certificate.

11.5 Deposit of Documents

The Trustee may appoint as custodian, on any terms, any bank or entity whose business includes the safe custody of documents or any lawyer or firm of lawyers believed by it to be of good repute and may deposit this Trust Deed and any other documents with such custodian and pay all sums due in respect thereof. The Trustee is not obliged to appoint a custodian of securities payable to bearer.

11.6 Discretion

The Trustee shall have absolute and uncontrolled discretion as to the exercise of its functions and shall not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience that may result from their exercise or non-exercise. Notwithstanding anything else herein contained, the Trustee may refrain without liability from doing anything that would or might in its reasonable opinion be contrary to any law of any state or jurisdiction (including but not limited to the European Union, Germany, the United States of America or, in each case, any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its reasonable opinion, necessary to comply with any such law, directive or regulation.

11.7 Agents

Whenever it considers it expedient in the interests of the Noteholders, the Trustee may, in the conduct of its trust business, instead of acting personally, employ and pay an agent

selected by it, whether or not a lawyer or other professional person, to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Trustee (including the receipt and payment of money).

11.8 Delegation

Whenever it considers it expedient in the interests of the Noteholders, the Trustee may delegate to any person on any terms (including power to sub-delegate) all or any of its functions.

11.9 Nominees

In relation to any asset held by it under this Trust Deed, the Trustee may appoint any person to act as its nominee on any terms.

11.10 Forged Notes

The Trustee shall not be liable to the Issuer or the Guarantor or any Noteholder or Couponholder by reason of having accepted as valid or not having rejected any Note, Certificate, Receipt, Coupon or Talon purporting to be such and later found to be forged or not authentic.

11.11 Confidentiality

Unless ordered to do so by a court of competent jurisdiction, the Trustee shall not be required to disclose to any Noteholder or Couponholder any confidential financial or other information made available to the Trustee by the Issuer or the Guarantor.

11.12 Determinations Conclusive

As between itself and the Noteholders and Couponholders, the Trustee may determine all questions and doubts arising in relation to any of the provisions of this Trust Deed. Such determinations, whether made upon such a question actually raised or implied in the acts or proceedings of the Trustee, shall be conclusive and shall bind the Trustee, the Noteholders and the Couponholders.

11.13 Currency Conversion

Where it is necessary or desirable to convert any sum from one currency to another, it shall (unless otherwise provided hereby or required by law) be converted at such rate or rates, in accordance with such method and as at such date as may reasonably be specified by the Trustee but having regard to current rates of exchange, if available. Any rate, method and date so specified shall be binding on the Issuer, the Guarantor, the Noteholders and the Couponholders.

11.14 Events of Default etc.

The Trustee may determine whether or not an Event of Default or Potential Event of Default is in its opinion capable of remedy and/or materially prejudicial to the interests of the Noteholders. Any such determination shall be conclusive and binding on the Issuer, the Guarantor, the Noteholders and the Couponholders.

11.15 Payment for and Delivery of Notes

The Trustee shall not be responsible for the receipt or application by the Issuer of the proceeds of the issue of the Notes, any exchange of Notes or the delivery of Notes to the persons entitled to them.

11.16 Notes Held by the Issuer, the Guarantor etc.

In the absence of knowledge or express notice to the contrary, the Trustee may assume without enquiry (other than requesting a certificate under Clause 9.12) that no Notes are for the time being held by or on behalf of the Issuer, the Guarantor or any of their respective Subsidiaries.

11.17 Legal Opinions

The Trustee shall not be responsible to any person for failing to request, require or receive any legal opinion relating to any Notes or for checking or commenting upon the content of any such legal opinion.

11.18 Programme Limit

The Trustee shall not be concerned, and need not enquire, as to whether or not any Notes are issued in breach of the Programme Limit.

11.19 Responsibility for agents etc.

If the Trustee exercises reasonable care in selecting any custodian, agent, delegate or nominee appointed under this Clause (an “**Appointee**”), it will not have any obligation to supervise the Appointee or be responsible for any loss, liability, cost, claim, action, demand or expense incurred by reason of the Appointee’s misconduct or default or the misconduct or default of any substitute appointed by the Appointee.

12 Trustee Liable for Negligence

Section 1 of the Trustee Act 2000 shall not apply to any function of the Trustee, provided that if the Trustee fails to show the degree of care and diligence required of it as trustee, nothing in this Trust Deed shall relieve or indemnify it from or against any liability that would otherwise attach to it in respect of any negligence, default, breach of duty or breach of trust of which it may be guilty.

13 Waiver

The Trustee may, without the consent of the Noteholders or Couponholders and without prejudice to its rights in respect of any subsequent breach, from time to time and at any time, if in its opinion the interests of the Noteholders will not be materially prejudiced thereby, waive or authorise, on such terms as seem expedient to it, any breach or proposed breach by the Issuer or the Guarantor of this Trust Deed or the Conditions or determine that an Event of Default or Potential Event of Default shall not be treated as such provided that the Trustee shall not do so in contravention of an express direction given by an Extraordinary Resolution or a request made pursuant to Condition 11. No such direction or request shall affect a previous waiver, authorisation or determination. Any such waiver, authorisation or determination shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, shall be notified to the Noteholders as soon as practicable.

14 Trustee not precluded from entering into contracts

The Trustee and any other person, whether or not acting for itself, may acquire, hold or dispose of any Note, Receipt, Coupon, Talon or other security (or any interest therein) of the Issuer, the Guarantor or any other person, may enter into or be interested in any contract or transaction with any such person and may act on, or as depositary or agent for, any committee or body of holders of any securities of any such person in each case with the same rights as it would have had if the Trustee were not acting as Trustee and need not account for any profit.

15 Modification and Substitution

15.1 Modification

The Trustee may agree without the consent of the Noteholders or Couponholders to any modification to this Trust Deed which is, in its opinion of a formal, minor or technical nature or to correct a manifest error. The Trustee may also so agree to any modification to this Trust Deed that is in its opinion not materially prejudicial to the interests of the Noteholders, but such power does not extend to any such modification as is mentioned in the proviso to paragraph 2 of Schedule 3.

15.2 Substitution

15.2.1 The Trustee may, without the consent of the Noteholders or Couponholders, but subject to such amendment of this Trust Deed and such other conditions as the Trustee may require, agree to the substitution of certain other entities (a) in place of the Issuer, its successor in business or of any previously substituted company as principal debtor under the Trust Deed and the Notes (the “**Substituted Debtor**”) or (b) in place of the Guarantor, its successor in business or of any previously substituted company, as guarantor under the Trust Deed and the Notes (the “**Substituted Guarantor**”) provided that:

- (i) in the case of a substitution of the Issuer (unless the Issuer’s successor in business is the Substituted Debtor) the obligations of the Substituted Debtor under this Trust Deed, the Notes, the Receipts and the Coupons are guaranteed by the Issuer to the Trustee’s satisfaction and such other conditions as the Trustee may require;
- (ii) in the case of a substitution of the Guarantor (unless the Guarantor’s successor in business is the Substituted Guarantor), such Substituted Guarantor is a Subsidiary of Ørsted whose financial statements at any time are required by law or in accordance with generally accepted accounting principles to be fully consolidated with those of Ørsted, which shall be certified in writing by two directors of the Substituted Guarantor to the Trustee, which certificate shall be conclusive and binding;
- (iii) no payment in respect of the Notes or the Coupons or Talons relating to them is at the relevant time overdue;
- (iv) a deed is executed or undertaking given by the Substituted Debtor or the Substituted Guarantor, as the case may be, to the Trustee, in form and manner satisfactory to the Trustee, agreeing to be bound by this Trust Deed, the Notes, the Receipts, the Coupons and the Talons (with consequential

amendments as the Trustee may deem appropriate) as if the Substituted Debtor or the Substituted Guarantor, as the case may be, had been named in this Trust Deed, the Notes, the Certificates, the Receipts, the Coupons and the Talons as the principal debtor or guarantor, as the case may be, in place of the Issuer or as the guarantor in place of the Guarantor, as the case may be;

- (v) if the Substituted Debtor or Substituted Guarantor, as the case may be, is subject generally to the taxing jurisdiction of a territory or any authority of or in that territory with power to tax (the “**Substituted Territory**”) other than the territory to the taxing jurisdiction of which (or to any such authority of or in which) the Issuer is subject generally (the “**Issuer’s Territory**”) or to which the Guarantor is subject generally (the “**Guarantor’s Territory**”), the Substituted Debtor or Substituted Guarantor, as the case may be, shall (unless the Trustee otherwise agrees) give to the Trustee an undertaking satisfactory to the Trustee in terms corresponding to Condition 8 with the substitution for the references in that Condition to the Issuer’s Territory or the Guarantor’s Territory, as the case may be, of references to the Substituted Territory whereupon the Trust Deed, the Notes, the Certificates, the Receipts, the Coupons and the Talons shall be read accordingly;
- (vi) if any two Directors of the Substituted Debtor or Substituted Guarantor, as the case may be, certify that it will be solvent immediately after such substitution, the Trustee need not have regard to the Substituted Debtor’s or Substituted Guarantor’s financial condition, profits or prospects or compare them with those of the Issuer or the Guarantor; and
- (vii) the Issuer or the Guarantor and the Substituted Debtor or Substituted Guarantor, as the case may be, comply with such other requirements as the Trustee may direct in the interests of the Noteholders.

15.2.2 Release of Substituted Issuer or Substituted Guarantor: An agreement by the Trustee pursuant to Clause 15.2 shall, if so expressed, release the Issuer or the Guarantor (or a previous substitute) from any or all of its obligations under this Trust Deed, the Notes, the Receipts, the Coupons and the Talons. Notice of the substitution shall be given to the Noteholders within 14 days of the execution of such documents and compliance with such requirements.

15.2.3 Completion of Substitution: On completion of the formalities set out in Clause 15.2, the Substituted Debtor or the Substituted Guarantor, as the case may be, shall be deemed to be named in this Trust Deed, the Notes, the Certificates, the Receipts, the Coupons and the Talons as the principal debtor in place of the Issuer or as the guarantor in place of the Guarantor (or its successor in business or of any previous substitute) and this Trust Deed, the Notes, the Certificates, the Receipts, the Coupons and the Talons shall be deemed to be amended as necessary to give effect to the substitution.

16 Appointment, Retirement and Removal of the Trustee

16.1 Appointment

The Issuer has the power of appointing new trustees but no-one may be so appointed unless previously approved by an Extraordinary Resolution. A trust corporation shall at all times be

a Trustee and may be the sole Trustee. Any appointment of a new Trustee shall be notified by the Issuer to the Noteholders as soon as practicable.

16.2 Retirement and Removal

Any Trustee may retire at any time on giving at least three months' written notice to the Issuer and the Guarantor without giving any reason or being responsible for any costs occasioned by such retirement and the Noteholders may by Extraordinary Resolution remove any Trustee provided that the retirement or removal of a sole trust corporation shall not be effective until a trust corporation is appointed as successor Trustee. If a sole trust corporation gives notice of retirement or an Extraordinary Resolution is passed for its removal, the Issuer shall use all reasonable endeavours to procure that another trust corporation be appointed as Trustee.

16.3 Co-Trustees

The Trustee may, despite Clause 16.1, by written notice to the Issuer and the Guarantor (with a copy to S&P Global Ratings Europe Limited, Fitch Ratings Ltd. and Moody's Investors Service Ltd.) and the Guarantor appoint anyone to act as an additional Trustee jointly with the Trustee:

- 16.3.1** if the Trustee considers the appointment to be in the interests of the Noteholders and/or the Couponholders;
- 16.3.2** to conform with a legal requirement, restriction or condition in a jurisdiction in which a particular act is to be performed; or
- 16.3.3** to obtain a judgment or to enforce a judgment or any provision of this Trust Deed in any jurisdiction.

Subject to the provisions of this Trust Deed the Trustee may confer on any person so appointed such functions as it thinks fit. The Trustee may by written notice to the Issuer, the Guarantor and that person remove that person. At the Trustee's request, the Issuer and the Guarantor shall forthwith do all things as may be required to perfect such appointment or removal and each of them irrevocably appoints the Trustee as its attorney in its name and on its behalf to do so.

16.4 Competence of a Majority of Trustees

If there are more than two Trustees the majority of them shall be competent to perform the Trustee's functions provided the majority includes a trust corporation.

17 Notes held in the Clearing Systems and Couponholders

17.1 Notes Held in the Clearing Systems

So long as any Global Note is, or any Notes represented by a Global Certificate are, held on behalf of a clearing system, in considering the interests of Noteholders, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders or participants with entitlements to any such Global Note or the Registered Notes and may consider such interests on the basis that such accountholders or participants were the holder(s) thereof.

17.2 Couponholders

No notices need be given to Couponholders. They shall be deemed to have notice of the contents of any notice given to Noteholders. Even if it has express notice to the contrary, in exercising any of its functions by reference to the interests of the Noteholders, the Trustee shall assume that the holder of each Note is the holder of all Receipts, Coupons and Talons relating to it.

18 Currency Indemnity

18.1 Currency of Account and Payment

The Contractual Currency is the sole currency of account and payment for all sums payable by the Issuer or the Guarantor under or in connection with this Trust Deed, the Notes, the Receipts and the Coupons, including damages.

18.2 Extent of Discharge

An amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the Issuer or the Guarantor or otherwise), by the Trustee or any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuer or the Guarantor shall only discharge the Issuer and/or the Guarantor, as the case may be, to the extent of the Contractual Currency amount that the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

18.3 Currency Indemnity

If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under this Trust Deed, the Notes, the Receipts or the Coupons, the Issuer and the Guarantor shall each indemnify it against any loss sustained by it as a result. In any event, the Issuer and the Guarantor shall each indemnify the recipient against the cost of making any such purchase.

18.4 Indemnity Separate

The indemnities in this Clause 18 and in Clauses 3.8 and 10.4 constitute separate and independent obligations from the other obligations in this Trust Deed, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Trustee and/or any Noteholder or Couponholder and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Trust Deed, the Notes, the Receipts and/or the Coupons or any other judgment or order.

19 Communications

19.1 Method

Each communication under this Trust Deed shall be made by electronic communication or otherwise in writing. Each communication or document to be delivered to any party under this Trust Deed shall be sent to that party at the electronic address or postal address, and marked for the attention of the person (if any), from time to time designated by that party to

each other party for the purpose of this Trust Deed. The initial telephone number, electronic address, postal address and person so designated by the parties under this Trust Deed are set out in Schedule B to the Dealer Agreement.

19.2 Deemed Receipt

Any communication from any party to any other under this Trust Deed shall be effective, (if by electronic communication) when the relevant receipt of such communication being read is given, or where no read receipt is required by the sender, at the time of sending, provided that no delivery failure notification is received by the sender within 24 hours of sending such communication and (if otherwise in writing) when delivered, provided that any communication received (or deemed to take effect in accordance with the foregoing) after 5:00pm on a business day or on a non-business day in the place of receipt shall be deemed to take effect at the opening of business on the next following business day in such place. Any communication delivered to any party under this Trust Deed which is sent by electronic communication will be written legal evidence.

20 Governing Law and Jurisdiction

20.1 Governing Law

This Trust Deed and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

20.2 Jurisdiction

The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with this Trust Deed, the Notes, the Receipts, the Coupons or the Talons and accordingly any legal action or proceedings arising out of or in connection with this Trust Deed, the Notes, the Receipts, the Coupons or the Talons ("**Proceedings**") may be brought in such courts. The Issuer and the Guarantor each irrevocably submits to the jurisdiction of such courts and waives any objections to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This Clause is for the benefit of each of the Trustee, the Noteholders and the Couponholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction in which the Notes have been or will be offered (whether concurrently or not).

20.3 Service of Process

Each of the Issuer and the Guarantor irrevocably appoints Orsted (UK) Limited at the address of its registered office from time to time, and at the date of this Trust Deed at 5 Howick Place, Westminster, London SW1P 1WG, United Kingdom to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer or the Guarantor). If for any reason such process agent ceases to be able to act as such or no longer has an address in England each of the Issuer and the Guarantor irrevocably agrees to appoint a substitute process agent acceptable to the Trustee and shall immediately notify the Trustee of such appointment. Nothing shall affect the right to serve process in any other manner permitted by law.

TEMPORARY GLOBAL NOTE

Series No. [●], Tranche No. [●]

This temporary Global Note is issued in respect of the Notes (the “Notes”) of the Tranche and Series specified in Part A of the Second Schedule hereto of Ørsted A/S (the “Issuer”) unconditionally and irrevocably guaranteed by Ørsted Wind Power TW Holding A/S (the “Guarantor”).

Interpretation and Definitions

References in this temporary Global Note to the “Conditions” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the amended and restated trust deed (as further amended or supplemented as at the Issue Date, the “Trust Deed”) dated 22 February 2022 between the Issuer, the Guarantor and Citicorp Trustee Company Limited as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this temporary Global Note (including the supplemental definitions and the provisions of the Notes set out in Part A of the Second Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this temporary Global Note shall have the meanings given to them in the Conditions or the Trust Deed. If the Second Schedule hereto specifies that the applicable TEFRA exemption is either “C Rules” or “not applicable”, this temporary Global Note is a “C Rules Note”, otherwise this temporary Global Note is a “D Rules Note”.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this temporary Global Note shall be an amount equal to the aggregate nominal amount of the Notes as shall be shown by the latest entry in the fourth column of the First Schedule hereto, which shall be completed by or on behalf of the Issuing

¹ Applicable to Notes with a maturity date of more than one year.

and Paying Agent upon (i) the issue of Notes represented hereby, (ii) the exchange of the whole or a part of this temporary Global Note for a corresponding interest in a permanent Global Note or, as the case may be, for Definitive Notes or Registered Notes and/or (iii) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

Promise to Pay

Subject as provided herein, the Issuer, for value received, promises to pay to the bearer of this temporary Global Note, upon presentation and (when no further payment is due in respect of this temporary Global Note) surrender of this temporary Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this temporary Global Note and (unless this temporary Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates, on the dates for payment and in accordance with the methods of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

If this temporary Global Note is an Exchangeable Bearer Note, this temporary Global Note may be exchanged in whole or from time to time in part for one or more Registered Notes in accordance with the Conditions on or after the Issue Date but before the Exchange Date referred to below by its presentation to the Issuing and Paying Agent. On or after the Exchange Date, the outstanding nominal amount of this temporary Global Note may be exchanged for Definitive Notes and Registered Notes in accordance with the next paragraph.

On or after the first day following the expiry of 40 days after the Issue Date (the “**Exchange Date**”), this temporary Global Note may be exchanged (free of charge to the holder) in whole or (in the case of a D Rules Note only) from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the Issuing and Paying Agent for interests in a permanent Global Note or, if so specified in the Second Schedule hereto, for Definitive Notes and (if this temporary Global Note is an Exchangeable Bearer Note), in each case, for Registered Notes in an aggregate nominal amount equal to the nominal amount of this temporary Global Note submitted for exchange provided that, in the case of any part of a D Rules Note submitted for exchange for a permanent Global Note or Definitive Notes, there shall have been Certification with respect to such nominal amount submitted for such exchange dated no earlier than the Exchange Date.

“**Certification**” means the presentation to the Issuing and Paying Agent of a certificate or certificates with respect to one or more interests in this temporary Global Note, signed by Euroclear or Clearstream, Luxembourg, substantially to the effect set out in Schedule 4 to the Agency Agreement to the effect that it has received a certificate or certificates substantially to the effect set out in Schedule 3 to the Agency Agreement with respect thereto and that no contrary advice as to the contents thereof has been received by Euroclear or Clearstream, Luxembourg, as the case may be.

Upon the whole or a part of this temporary Global Note being exchanged for a permanent Global Note, such permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes or Registered Notes.

The Definitive Notes or the Certificates representing the Registered Notes for which this temporary Global Note or a permanent Global Note may be exchangeable shall be duly executed and authenticated, shall, in the case of Definitive Notes, have attached to them all Coupons (and, where appropriate, Talons) in respect of interest, and all Receipts in respect of Instalment Amounts, that have not already been paid on this temporary Global Note or the permanent Global Note, as the case may be, shall be security printed or, in the case of Certificates, printed in accordance with applicable legal and stock exchange requirements and shall be substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Second Schedule hereto. Certificates issued upon exchange for Registered Notes shall not be Global Certificates unless the holder so requests and certifies to the Issuing and Paying Agent that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear and/or any other clearing system.

On any exchange of a part of this temporary Global Note for an equivalent interest in a permanent Global Note, for Definitive Notes or for Registered Notes, as the case may be, the portion of the nominal amount hereof so exchanged shall be endorsed by or on behalf of the Issuing and Paying Agent in Part I of the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

Benefit of Conditions

Except as otherwise specified herein, this temporary Global Note is subject to the Conditions and the Trust Deed and, until the whole of this temporary Global Note is exchanged for equivalent interests in a permanent Global Note, for Definitive Notes or for Registered Notes, as the case may be, the holder of this temporary Global Note shall in all respects be entitled to the same benefits as if it were the holder of the permanent Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such permanent Global Note or Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this temporary Global Note that falls due on or after the Exchange Date unless, upon due presentation of this temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, due endorsement of) a permanent Global Note or delivery of Definitive Notes or Certificates, as the case may be, is improperly withheld or refused by or on behalf of the Issuer.

Payments due in respect of a D Rules Note before the Exchange Date shall only be made in relation to such nominal amount of this temporary Global Note with respect to which there shall have been Certification dated no earlier than such due date for payment.

Any payments that are made in respect of this temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. If any payment in full of principal is made in respect of any Note represented by this temporary Global Note, the portion of this temporary Global Note representing such Note shall be cancelled and the amount so cancelled shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made) whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed. If any other payments are made in respect of the Notes represented by this temporary Global Note, a record of each such payment shall be endorsed by or on behalf of the Issuing and Paying Agent on an additional schedule hereto (such endorsement

being *prima facie* evidence that the payment in question has been made). Condition 7(e)(vii) and Condition 8(d) will apply to the Definitive Notes only.

For the purpose of any payments made in respect of this temporary Global Note, the words “in the relevant place of presentation” shall not apply in the definition of “**business day**” in Condition 8(h) (*Non-Business Days*).

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this temporary Global Note shall become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date.

Cancellation

Cancellation of any Note represented by this temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this temporary Global Note representing such Note on its presentation to or to the order of the Issuing and Paying Agent for endorsement in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Purchase

Notes may only be purchased by the Issuer, the Guarantor or any of their respective Subsidiaries if they are purchased together with the right to receive all future payments of interest and Instalment Amounts (if any) thereon.

Issuer’s Options

Any option of the Issuer provided for in the Conditions shall be exercised by the Issuer giving notice to the Noteholders and the relevant Clearing Systems (or procuring that such notice is given on its behalf) within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the case of a partial exercise of an option, the rights of account holders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg and shall be reflected in the records of Euroclear and/or Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion. Following the exercise of any such option, the Issuer shall procure that the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced accordingly.

Noteholders’ Options

Any option of the Noteholders provided for in the Conditions may be exercised by the holder of this temporary Global Note giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised. Following the exercise of any such option, the Issuer shall procure that the nominal amount of the Notes recorded

in the records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced by the aggregate nominal amount stated in the relevant exercise notice.

Trustee's Powers

In considering the interests of Noteholders while this temporary Global Note is held on behalf of a clearing system, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders with entitlements to this temporary Global Note and may consider such interests as if such accountholders were the holders of the Notes represented by this temporary Global Note.

Notices

Notices required to be given in respect of the Notes represented by this temporary Global Note may be given by their being delivered (so long as this temporary Global Note is held on behalf of Euroclear and Clearstream, Luxembourg or any other clearing system) to Euroclear, Clearstream, Luxembourg or such other clearing system, as the case may be, or otherwise to the holder of this temporary Global Note, rather than by publication as required by the Conditions.

No provision of this temporary Global Note shall alter or impair the obligation of the Issuer and the Guarantor to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions and the Upstream Guarantee.

This temporary Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent.

This temporary Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

IN WITNESS WHEREOF the Issuer has caused this temporary Global Note to be duly signed on its behalf.

Interpretation and Definitions

References in this permanent Global Note to the “Conditions” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the amended and restated trust deed (as further amended or supplemented as at the Issue Date, the “Trust Deed”) dated 22 February 2022 between the Issuer, the Guarantor and Citicorp Trustee Company Limited as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this permanent Global Note (including the supplemental definitions and the provisions of the Notes set out in Part A of the Third Schedule hereto), which in the event of any conflict shall prevail). Promise to Pay

Subject as provided herein, the Issuer, for value received, hereby promises to pay to the bearer of this permanent Global Note, upon presentation and (when no further payment is due in respect of this permanent Global Note) surrender of this permanent Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this permanent Global Note and (unless this permanent Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates, on the dates for payment and in accordance with the methods of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

This permanent Global Note is exchangeable (free of charge to the holder) on or after the Exchange Date in whole but not, except as provided in the next paragraph, in part for the Definitive Notes or (if this permanent Global Note is an Exchangeable Bearer Note) Registered Notes represented by the Certificates described below:

- 1 if this permanent Global Note is an Exchangeable Bearer Note, by the holder hereof giving notice to the Issuing and Paying Agent of its election to exchange the whole or a part of this permanent Global Note for Registered Notes; or
- 2 if this permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or any other clearing system (an “**Alternative Clearing System**”) and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so.

This permanent Global Note is exchangeable in part (**provided, however, that** if this permanent Global Note is held by or on behalf of Euroclear and/or Clearstream, Luxembourg, the rules of Euroclear and/or Clearstream, Luxembourg, as the case may be, so permit) if this permanent Global Note is an Exchangeable Bearer Note and the part hereof submitted for exchange is to be exchanged for Registered Notes.

“**Exchange Date**” means a day falling not less than 60 days, or in the case of an exchange for Registered Notes five days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located and, except in the case of exchange pursuant to 4 above, in the cities in which Euroclear and Clearstream, Luxembourg or, if relevant, the Alternative Clearing System, are located.

In exchange for this permanent Global Note, or part thereof to be exchanged, the Issuer shall deliver, or procure the delivery of, duly executed and authenticated Definitive Notes and/or (if this permanent Global Note

Benefit of Conditions

Except as otherwise specified herein, this permanent Global Note is subject to the Conditions and the Trust Deed and, until the whole of this permanent Global Note is exchanged for Definitive Notes or Registered Notes, the holder of this permanent Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Definitive Notes for which it may be exchanged and as if such Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this permanent Global Note that falls due after an Exchange Date for such Notes, unless upon due presentation of this permanent Global Note for exchange, delivery of Definitive Notes or Certificates is improperly withheld or refused by or on behalf of the Issuer or the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

Payments in respect of this permanent Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. A record of each such payment shall be endorsed on the First or Second Schedule hereto, as appropriate, by the Issuing and Paying Agent or by the relevant Paying Agent, for and on behalf of the Issuing and Paying Agent, which endorsement shall (until the contrary is proved) be *prima facie* evidence that the payment in question has been made. Condition 7(e)(vii) and Condition 8(d) will apply to the Definitive Notes only.

For the purposes of any payments made in respect of this permanent Global Note, the words “in the relevant place of presentation” shall not apply in the definition of “**business day**” in Condition 8(h) (*Non-Business Days*).

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this permanent Global Note shall become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date.

Meetings

For the purposes of any meeting of Noteholders, the holder of this permanent Global Note shall (unless this permanent Global Note represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, as having one vote in respect of each integral currency unit of the Specified Currency of the Notes.

Cancellation

Cancellation of any Note represented by this permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this permanent Global Note representing such Note on its presentation to or to the order of the Issuing and Paying Agent for endorsement in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Purchase

Notes may only be purchased by the Issuer, the Guarantor or any of their respective Subsidiaries if they are purchased together with the right to receive all future payments of interest and Instalment Amounts (if any) thereon.

Issuer's Options

Any option of the Issuer provided for in the Conditions shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the case of a partial exercise of an option, the rights of accountholders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg and shall be reflected in the records of Euroclear and/or Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion. Following the exercise of any such option, the Issuer shall procure that the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this permanent Global Note shall be reduced accordingly.

Noteholders' Options

Any option of the Noteholders provided for in the Conditions may be exercised by the holder of this permanent Global Note giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised, and stating the nominal amount of Notes in respect of which the option is exercised and at the same time presenting this permanent Global Note to the Issuing and Paying Agent, or to a Paying Agent acting on behalf of the Issuing and Paying Agent, for notation accordingly in the Fourth Schedule hereto.

Trustee's Powers

In considering the interests of Noteholders while this permanent Global Note is held on behalf of a clearing system, the Trustee may have regard to any information provided to it by such clearing

system or its operator as to the identity (either individually or by category) of its accountholders with entitlements to this permanent Global Note and may consider such interests as if such accountholders were the holders of the Notes represented by this permanent Global Note.

Notices

Notices required to be given in respect of the Notes represented by this permanent Global Note may be given by their being delivered (so long as this permanent Global Note is held on behalf of Euroclear, Clearstream, Luxembourg or any other clearing system) to Euroclear, Clearstream, Luxembourg or such other clearing system, as the case may be, or otherwise to the holder of this permanent Global Note, rather than by publication as required by the Conditions.

Negotiability

This permanent Global Note is a bearer document and negotiable and accordingly:

- 1 is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- 2 the holder of this permanent Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts by way of amounts payable upon redemption, interest or otherwise payable in respect of this permanent Global Note and the Issuer has waived against such holder and any previous holder of this permanent Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Global Note; and
- 3 payment upon due presentation of this permanent Global Note as provided herein shall operate as a good discharge against such holder and all previous holders of this permanent Global Note.

No provision of this permanent Global Note shall alter or impair the obligation of the Issuer and the Guarantor to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions and the Upstream Guarantee.

This permanent Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent.

TEMPORARY GLOBAL NOTE

Series No. [●], Tranche No. [●]

This temporary Global Note is issued in respect of the Notes (the “Notes”) of the Tranche and Series specified in Part A of the Schedule hereto of Ørsted A/S (the “Issuer”) unconditionally and irrevocably guaranteed by Ørsted Wind Power TW Holding A/S (the “Guarantor”).

Interpretation and Definitions

References in this temporary Global Note to the “Conditions” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the amended and restated trust deed (as further amended or supplemented as at the Issue Date, the “Trust Deed”) dated 22 February 2022 between the Issuer, the Guarantor and Citicorp Trustee Company Limited as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this temporary Global Note (including the supplemental definitions and the provisions of the Notes set out in Part A of the Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this temporary Global Note shall have the meanings given to them in the Conditions or the Trust Deed. If the Second Schedule hereto specifies that the applicable TEFRA exemption is either “C Rules” or “not applicable”, this temporary Global Note is a “C Rules Note”, otherwise this temporary Global Note is a “D Rules Note”.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this temporary Global Note shall be an amount equal to the aggregate nominal amount of the Notes from time to time entered in the records of both Euroclear and Clearstream, Luxembourg (together the “relevant Clearing Systems”), which shall be completed and/or amended, as the case may be, upon (i) the issue of Notes represented hereby, (ii) the exchange of the whole or a part of this temporary Global Note for a corresponding interest recorded in the records of the relevant Clearing Systems in a permanent Global Note or, as the case

³ Applicable to Notes with a maturity date of more than one year.

may be, for Definitive Notes or Registered Notes and/or (iii) the redemption or purchase and cancellation of Notes represented hereby.

The records of the relevant Clearing Systems (which expression in this temporary Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customers' interests in the Notes) shall be conclusive evidence of the nominal amount of the Notes represented by this temporary Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by the temporary Global Note at any time shall be conclusive evidence of the records of the relevant Clearing Systems at that time.

The Issuer shall procure that any exchange, payment, cancellation, exercise of any option or any right under the Notes, as the case may be, in addition to the circumstances set out above shall be entered in the records of the relevant clearing systems and upon any such entry being made, in respect of payments of principal, the nominal amount of the Notes represented by this temporary Global Note shall be adjusted accordingly.

Promise to Pay

Subject as provided herein, the Issuer, for value received, promises to pay to the bearer of this temporary Global Note, upon presentation and (when no further payment is due in respect of this temporary Global Note) surrender of this temporary Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this temporary Global Note and (unless this temporary Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

If this temporary Global Note is an Exchangeable Bearer Note, this temporary Global Note may be exchanged in whole or from time to time in part for one or more Registered Notes in accordance with the Conditions on or after the Issue Date but before the Exchange Date referred to below by its presentation to the Issuing and Paying Agent. On or after the Exchange Date, the outstanding nominal amount of this temporary Global Note may be exchanged for Definitive Notes and Registered Notes in accordance with the next paragraph.

On or after the first day following the expiry of 40 days after the Issue Date (the "**Exchange Date**"), this temporary Global Note may be exchanged (free of charge to the holder) in whole or (in the case of a D Rules Note only) from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the Issuing and Paying Agent for interests recorded in the records of the relevant Clearing Systems in a permanent Global Note or, if so specified in Part A of the Schedule hereto, for Definitive Notes and (if this temporary Global Note is an Exchangeable Bearer Note), in each case, for Registered Notes in an aggregate nominal amount equal to the nominal amount of this temporary Global Note submitted for exchange provided that, in the case of any part of a D Rules Note submitted for exchange for interests recorded in the records of the relevant Clearing Systems in a permanent Global Note or Definitive Notes, there shall have been Certification with

respect to such nominal amount submitted for such exchange dated no earlier than the Exchange Date.

“**Certification**” means the presentation to the Issuing and Paying Agent of a certificate or certificates with respect to one or more interests in this temporary Global Note, signed by Euroclear or Clearstream, Luxembourg, substantially to the effect set out in Schedule 4 to the Agency Agreement to the effect that it has received a certificate or certificates substantially to the effect set out in Schedule 3 to the Agency Agreement with respect thereto and that no contrary advice as to the contents thereof has been received by Euroclear or Clearstream, Luxembourg, as the case may be.

Upon the whole or a part of this temporary Global Note being exchanged for a permanent Global Note, such permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes or Registered Notes.

The Definitive Notes or the Certificates representing the Registered Notes for which this temporary Global Note or a permanent Global Note may be exchangeable shall be duly executed and authenticated, shall, in the case of Definitive Notes, have attached to them all Coupons (and, where appropriate, Talons) in respect of interest, and all Receipts in respect of Instalment Amounts, that have not already been paid on this temporary Global Note or the permanent Global Note, as the case may be, shall be security printed or, in the case of Certificates, printed in accordance with applicable legal and stock exchange requirements and shall be substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of Part A of the Schedule hereto. Certificates issued upon exchange for Registered Notes shall not be Global Certificates unless the holder so requests and certifies to the Issuing and Paying Agent that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear and/or any other clearing system.

On any exchange of a part of this temporary Global Note for an equivalent interest recorded in the records of the relevant Clearing Systems in a permanent Global Note, for Definitive Notes or for Registered Notes, as the case may be, the Issuer shall procure that details of the portion of the nominal amount hereof so exchanged shall be entered *pro rata* in the records of the relevant Clearing Systems and upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced by an amount equal to such portion so exchanged.

Benefit of Conditions

Except as otherwise specified herein, this temporary Global Note is subject to the Conditions and the Trust Deed and, until the whole of this temporary Global Note is exchanged for equivalent interests in a permanent Global Note, for Definitive Notes or for Registered Notes, as the case may be, the holder of this temporary Global Note shall in all respects be entitled to the same benefits as if it were the holder of the permanent Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such permanent Global Note or Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this temporary Global Note that falls due on or after the Exchange Date unless, upon due presentation of this temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, a corresponding entry being recorded in the records of the relevant Clearing Systems) a permanent

Global Note or delivery of Definitive Notes or Certificates, as the case may be, is improperly withheld or refused by or on behalf of the Issuer.

Payments due in respect of a D Rules Note before the Exchange Date shall only be made in relation to such nominal amount of this temporary Global Note with respect to which there shall have been Certification dated no earlier than such due date for payment.

Any payments that are made in respect of this temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries in the records of the relevant Clearing Systems referred to herein shall not affect such discharge. If any payment in full or in part of principal or, in the case of Instalment Notes, payment of an Instalment Amount, is made in respect of any Note represented by this temporary Global Note the Issuer shall procure that details of such payment shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or by the aggregate amount of the Instalment Amount so paid. If any other payments are made in respect of the Notes represented by this temporary Global Note, the Issuer shall procure that a record of each such payment shall be entered *pro rata* in the records of the relevant Clearing Systems. Condition 7(e)(vii) and Condition 8(d) will apply to the Definitive Notes only.

For the purpose of any payments made in respect of this temporary Global Note, the words "in the relevant place of presentation" shall not apply in the definition of "**business day**" in Condition 7(h) (*Non-Business Days*).

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this temporary Global Note shall become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date.

Purchase

Notes may only be purchased by the Issuer, the Guarantor or any of their respective Subsidiaries if they are purchased together with the right to receive all future payments of interest and Instalment Amounts (if any) thereon.

Issuer's Options

Any option of the Issuer provided for in the Conditions shall be exercised by the Issuer giving notice to the Noteholders and the relevant Clearing Systems (or procuring that such notice is given on its behalf) within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the case of a partial exercise of an option, the rights of account holders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg and shall be reflected in the records of Euroclear and/or Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion. Following the exercise of any such option, the Issuer shall procure that the nominal amount of the Notes recorded in the

records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced accordingly.

Noteholders' Options

Any option of the Noteholders provided for in the Conditions may be exercised by the holder of this temporary Global Note giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised. Following the exercise of any such option, the Issuer shall procure that the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced by the aggregate nominal amount stated in the relevant exercise notice.

Cancellation

On cancellation of any Note represented by this temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption), the Issuer shall procure that details of such cancellation shall be entered *pro rata* in the records of the relevant Clearing systems and, upon any such entry being made, the nominal amount of the Note recorded in the records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced by the aggregate nominal amount of the Notes so cancelled.

Trustee's Powers

In considering the interests of Noteholders while this temporary Global Note is held on behalf of a clearing system, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders with entitlements to this temporary Global Note and may consider such interests as if such accountholders were the holders of the Notes represented by this temporary Global Note.

Notices

Notices required to be given in respect of the Notes represented by this temporary Global Note may be given by their being delivered (so long as this temporary Global Note is held on behalf of Euroclear and/or Clearstream, Luxembourg or any other permitted clearing system) to Euroclear, Clearstream, Luxembourg or such other permitted clearing system, as the case may be, or otherwise to the holder of this temporary Global Note, rather than by publication as required by the Conditions.

No provision of this temporary Global Note shall alter or impair the obligation of the Issuer and the Guarantor to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions and the Upstream Guarantee.

This temporary Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent and effectuated by the entity appointed as Common Safekeeper by the relevant Clearing Systems.

This temporary Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

IN WITNESS WHEREOF the Issuer has caused this temporary Global Note to be duly signed on its behalf.

Exchange

This permanent Global Note is exchangeable (free of charge to the holder) on or after the Exchange Date in whole but not, except as provided in the next paragraph, in part for the Definitive Notes or (if this permanent Global Note is an Exchangeable Bearer Note) Registered Notes represented by the Certificates described below:

- 1** if this permanent Global Note is an Exchangeable Bearer Note, by the holder hereof giving notice to the Issuing and Paying Agent of its election to exchange the whole or a part of this permanent Global Note for Registered Notes; or

Payments in respect of this permanent Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing

In the case of a partial exercise of an option, the rights of accountholders with a clearing system in respect of

the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg and shall be reflected in the records of Euroclear and/or Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion. Following the exercise of any such option, the Issuer shall procure that the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this permanent Global Note shall be reduced accordingly.

Noteholders' Options

Any option of the Noteholders provided for in the Conditions may be exercised by the holder of this permanent Global Note giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised. This Global Certificate certifies that the person whose name is entered in the Register (the “**Registered Holder**”) is registered as the holder of an issue of Notes of the nominal amount, specified currency and specified denomination set out in Part A of the Schedule hereto.

Interpretation and Definitions

References in this Global Certificate to the “Conditions” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the amended and restated trust deed (as further amended or supplemented as at the Issue Date, the “**Trust Deed**”) dated 22 February 2022 between the Issuer, the Guarantor and Citicorp Trustee Company Limited as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this Global Certificate (including the supplemental definitions and the provisions of the Notes set out in Part A of the Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this Global Certificate shall have the meanings given to them in the Conditions or the Trust Deed.

Promise to Pay

The Issuer, for value received, promises to pay to the holder of the Notes represented by this Global Certificate (subject to surrender of this Global Certificate if no further payment falls to be made in respect of such Notes) on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the Notes represented by this Global Certificate and (unless the Notes represented by this Certificate do not bear interest) to pay interest in respect of such Notes from the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes represented by this Global Certificate, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions. Each payment will be

made to, or to the order of, the person whose name is entered on the Register at the close of business on the Clearing System Business Day immediately prior to the date for payment, where Clearing System Business Day means Monday to Friday inclusive except 25 December and 1 January.

For the purposes of this Global Certificate, (a) the holder of the Notes represented by this Global Certificate is bound by the provisions of the Agency Agreement, (b) the Issuer certifies that the Registered Holder is, at the date hereof, entered in the Register as the holder of the Notes represented by this Global Certificate, (c) this Global Certificate is evidence of entitlement only, (d) title to the Notes represented by this Global Certificate passes only on due registration on the Register, and (e) only the holder of the Notes represented by this Global Certificate is entitled to payments in respect of the Notes represented by this Global Certificate.

Transfer of Notes represented by permanent Global Certificates

If the Schedule hereto states that the Notes are to be represented by a permanent Global Certificate on issue, transfers of the holding of Notes represented by this Global Certificate pursuant to Condition 2(b) may only be made in part:

- (i) if the Notes represented by this Global Certificate are held on behalf of Euroclear or Clearstream, Luxembourg or any other clearing system (an “**Alternative Clearing System**”) and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- (ii) with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to (i) above, the holder of the Notes represented by this Global Certificate has given the Registrar not less than 30 days’ notice at its specified office of such holder’s intention to effect such transfer. Where the holding of Notes represented by this Global Certificate is only transferable in its entirety, the Certificate issued to the transferee upon transfer of such holding shall be a Global Certificate. Where transfers are permitted in part, Certificates issued to transferees shall not be Global Certificates unless the transferee so requests and certifies to the Registrar that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear and/or an Alternative Clearing System.

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this Global Certificate shall become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date.

Meetings

For the purposes of any meeting of Noteholders, the holder of the Notes represented by this Global Certificate shall (unless this Global Certificate represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders and as being entitled to one vote in respect of each integral currency unit of the Specified Currency of the Notes.

Cancellation

On cancellation of any Note represented by this Global Certificate that is required by the Conditions to be cancelled (other than upon its redemption), the Issuer shall procure that details of such

cancellation shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Certificate shall be reduced by the aggregate nominal amount of the Notes so cancelled.

Purchase

Notes may only be purchased by the Issuer, the Guarantor or any of their respective Subsidiaries if they are purchased together with the right to receive all future payments of interest and Instalment Amounts (if any) thereon.

Issuer's Options

Any option of the Issuer provided for in the Conditions shall be exercised by the Issuer giving notice to the Noteholders and the relevant Clearing Systems (or procuring that such notice is given on its behalf) within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the case of a partial exercise of an option, the rights of accountholders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg and shall be reflected in the records of Euroclear and/or Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion. Following the exercise of any such option, the Issuer shall procure that the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Certificate shall be reduced accordingly.

Noteholders' Options

Any option of the Noteholders provided for in the Conditions may be exercised by the holder of this Global Certificate giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised. Following the exercise of any such option, the Issuer shall procure that the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Certificate shall be reduced by the aggregate nominal amount stated in the relevant exercise notice.

Trustee's Powers

In considering the interests of Noteholders while this Global Certificate is registered in the name of any nominee for a clearing system, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders with entitlements to this Global Certificate and may consider such interests as if such accountholders were the holders of the Notes represented by this Global Certificate.

This Global Certificate shall not become valid for any purpose until authenticated by or on behalf of the Registrar [and in the case of Registered Notes held under the NSS only, effectuated by the entity appointed as Common Safekeeper by the relevant Clearing Systems].

This Global Certificate and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

IN WITNESS WHEREOF the Issuer has caused this Global Certificate to be signed on its behalf.

Part C Terms and Conditions of the Notes

The Notes are constituted by an Amended and Restated Trust Deed dated 22 February 2022 between Ørsted A/S (“**Ørsted**” and in its capacity as an issuer of Notes, the “**Issuer**”), Ørsted Wind Power TW Holding A/S as guarantor (“**Ørsted Wind**” and in its capacity as the guarantor of Notes issued by Ørsted, the “**Guarantor**”) and Citicorp Trustee Company Limited (the “**Trustee**”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below) (as amended or supplemented as at the date of issue of the Notes (the “**Issue Date**”), the “**Trust Deed**”). These terms and conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Receipts, Coupons and Talons referred to below. An Amended and Restated Agency Agreement (as amended or supplemented as at the Issue Date, the “**Agency Agreement**”) dated 30 October 2020 has been entered into in relation to the Notes between the Issuer, the Guarantor, the Trustee, Citibank, N.A. as initial issuing and paying agent and the other agents named in it. The issuing and paying agent, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Issuing and Paying Agent**”, the “**Paying Agents**” (which expression shall include the Issuing and Paying Agent), the “**Registrar**”, the “**Transfer Agents**” (which expression shall include the Registrar) and the “**Calculation Agent(s)**”. Copies of the Trust Deed and the Agency Agreement are available for inspection during usual business hours at the principal office of the Trustee (presently at 14th Floor, Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB) and at the specified offices of the Paying Agents and the Transfer Agents provided that if any Agent is not able to make available for inspection at its specified office such documents by any event beyond its reasonable control, such Agent may provide such documents for inspection to any holder of a Note electronically upon request by any such Noteholder and upon the provision of evidence satisfactory to such Agent of such Noteholder’s holding in such Note with the relevant clearing system.

The Noteholders, the holders of the interest coupons (the “**Coupons**”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “**Talons**”) (the “**Couponholders**”) and the holders of the receipts for the payment of instalments of principal (the “**Receipts**” and the “**Receiptholders**”) relating to Notes in bearer form of which the principal is payable in instalments are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement.

As used in these Conditions, “**Tranche**” means Notes which are identical in all respects.

1 Form, Denomination and Title

The Notes are issued in bearer form (“**Bearer Notes**”, which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form (“**Registered Notes**”) or in bearer form exchangeable for Registered Notes (“**Exchangeable Bearer Notes**”) as specified hereon in each case in the Specified Denomination(s) shown hereon **provided that** in the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a Prospectus under the Prospectus Regulation, the minimum Specified Denomination shall be €100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).

All Registered Notes shall have the same Specified Denomination. Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same Specified Denomination as the lowest denomination of Exchangeable Bearer Notes.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Inflation Linked Note or an Instalment Note, a combination of any of the foregoing, depending upon the Interest and Redemption/Payment Basis shown hereon.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered certificates (“**Certificates**”) and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

The Notes are denominated in such currency as may be specified in the Final Terms. Any currency may be so specified, subject to compliance with all legal and/or regulatory and/or central bank requirements.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “**Register**”) or as specified hereon. Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “**Noteholder**” means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered (as the case may be), “**holder**” (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2 Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes

(a) *Exchange of Exchangeable Bearer Notes:*

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same nominal amount of Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmaturing Receipts, Coupons and Talons relating to it, at the specified office of any Transfer Agent; **provided, however, that** where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 8(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Bearer Notes that are not Exchangeable Bearer Notes may not be exchanged for Registered Notes.

(b) *Transfer of Registered Notes:*

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate, (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of

part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(c) ***Exercise of Options or Partial Redemption in Respect of Registered Notes:***

In the case of an exercise of an Issuer's or Noteholder's option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(d) ***Delivery of New Certificates:***

Each new Certificate to be issued pursuant to Conditions 2(a), (b) or (c) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice (as defined in Condition 7(g)) and surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition (d), "business day" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) ***Exchange Free of Charge:***

Exchange and transfer of Notes and Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment by the applicant of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) ***Closed Periods:***

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days prior to any date on which Notes may be called for redemption by the Issuer at its option pursuant to Conditions 7(e), (iii) after any such Note has

been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date. An Exchangeable Bearer Note called for redemption may, however, be exchanged for one or more Registered Note(s) in respect of which the Certificate is simultaneously surrendered not later than the relevant Record Date (as defined in Condition 8(b)(ii)).

3 Guarantee and Status

(a) **Guarantee**

The Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by the Issuer under the Trust Deed, the Notes and any Receipts and Coupons relating to them. Its obligations in that respect (the “**Upstream Guarantee**”) are contained in the Amended and Restated Trust Deed. The obligations of the Guarantor under the Guarantee shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 4, at all times rank at least equally with all its other unsecured and unsubordinated obligations, present and future.

(b) **Status**

The Notes and the Receipts and Coupons relating to them constitute (subject to Condition 4) unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Notes and the Receipts and Coupons relating to them shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 4, at all times rank at least equally with all its other unsecured and unsubordinated indebtedness and monetary obligations of the Issuer, present and future.

4 Negative Pledge

(a) **Restriction:**

So long as any Note, Receipt or Coupon remains outstanding (as defined in the Trust Deed), neither the Issuer nor the Guarantor will, and the Issuer and the Guarantor will each ensure that none of their respective Material Subsidiaries (as defined below) will create, or have outstanding any mortgage, charge, lien, pledge or other security interest (each a “**Security Interest**”) other than a Permitted Security Interest (as defined below), upon the whole or any part of its present or future undertaking, assets or revenues (including any uncalled share capital) to secure any (A) Relevant Debt, or (B) payment under any guarantee or indemnity granted by the Issuer or the Guarantor or any such Material Subsidiary in respect of any Relevant Debt without at the same time or prior thereto according to the Notes, the Coupons and the Issuer’s and the Guarantor’s obligations under the Trust Deed, equal and rateable security to that which is created or subsisting to secure any such Relevant Debt, guarantee or indemnity or such other security as the Trustee in its absolute discretion shall deem to be not materially less beneficial to the Noteholders or as shall be approved by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders.

(b) **Definitions:**

For the purposes of these Conditions:

- (i) “**Group**” means together Ørsted, Ørsted Wind and Subsidiaries of each of Ørsted and Ørsted Wind whose financial statements at any time are required by law or in accordance with generally accepted accounting principles to be fully consolidated with those of Ørsted;

- (ii) “**Material Subsidiary**” at any time means (A) Ørsted Wind and (B) any member of the Group (not being a Subsidiary falling within sub-paragraph (iv) of the definition of Non-Recourse Project Financing and whose only indebtedness for borrowed money is Non-Recourse Project Financing):
- (i) which was a Subsidiary of the Issuer or the Guarantor (as the case may be) at the date to which the then latest audited consolidated annual financial statements of the Group (the “**Accounts**”) were made up and whose total revenue and/or gross assets (in each case consolidated in the case of a Subsidiary which itself has Subsidiaries) at the time of its latest financial statements (consolidated where applicable) exceeded 10 per cent. of the consolidated total revenue and/or gross assets of the Group at such date, as determined by reference to such Accounts;
 - (ii) which has been a Subsidiary of the Issuer or the Guarantor (as the case may be) for more than 180 days and which became a Subsidiary of the Issuer or the Guarantor (as the case may be) subsequent to the date of the then latest Accounts and whose total revenue and/or gross assets (in each case consolidated in the case of a Subsidiary which itself has Subsidiaries) would, as at the balance sheet date of the then latest Accounts on the basis that such Subsidiary was a Subsidiary on such balance sheet date, exceed 10 per cent. of the consolidated total revenue and/or gross assets of the Group as would be determined by reference to such consolidated financial statements; or
 - (iii) any Subsidiary of the Issuer or the Guarantor (as the case may be) which, although not a Material Subsidiary at the date of the then latest Accounts, subsequently acquires or develops assets and/or generates revenues which would, when aggregated with its existing assets and/or revenues (in each case consolidated in the case of a Subsidiary which itself has Subsidiaries), constitute 10 per cent. or more of the consolidated total revenue and/or gross assets of the Group if at the balance sheet date of the then latest Accounts, those Accounts and the latest financial statements of the relevant Subsidiary (consolidated where applicable) had been prepared on the basis that such assets had already been acquired or developed or such revenues had already been generated,

provided that if any Material Subsidiary shall at any relevant time cease to have revenue and/or gross assets (in each case consolidated in the case of a Subsidiary which itself has Subsidiaries) which constitute more than 10 per cent. of the consolidated total revenues and/or gross assets of the Group if consolidated financial statements of the Group were prepared at that time, it shall at that time cease to be a Material Subsidiary, until such time as its revenues and/or gross assets (in each case consolidated in the case of a Subsidiary which itself has Subsidiaries) subsequently exceed 10 per cent. of the consolidated total revenues and/or gross assets of the Group at any relevant time. A certificate of two Directors of the Issuer or the Guarantor (as the case may be) that, in their opinion, a Subsidiary is or is not, or was or was not, at any particular time or during any particular period, a Material Subsidiary may be relied upon by the Trustee and, if so relied upon, shall, in the absence of manifest error, be conclusive and binding on all concerned;

relevant borrower (whether or not the Issuer or the Guarantor (as the case may be) or any of its Subsidiaries) has or have no recourse whatsoever to the Issuer or the Guarantor (as the case may be) or any of its Subsidiaries for the repayment thereof other than:

- (iv) **“Permitted Security Interest”** means (a) any Security Interest created by either the Issuer or the Guarantor (as the case may be) or any Material Subsidiary upon real property, energy producing assets and/or ships in favour of one or more Danish mortgage institutions (*realkreditinstitutter*) or other credit institutions (including, but not limited to, Danish Ship Finance (*Danmarks Skibskredit*)) in respect of Relevant Debt constituting indebtedness owed to such institutions, **provided that** the aggregate principal amount of the Relevant Debt in respect of which all such Security Interests shall have been created as shown on the then most recent annual audited consolidated accounts of the Group shall be equal to not more than 15 per cent. of the total consolidated assets of the Group, also as shown in the then most recent annual audited consolidated accounts of the Group or (b) any Security Interest over assets of a company which becomes a Subsidiary (as defined below) after the date on which agreement is reached to issue the first Tranche of Notes, but only if (i) the Security Interest (1) was in existence prior to the date of the company concerned becoming a Subsidiary and (2) was not created in contemplation of such company becoming a Subsidiary and (ii) the principal amount secured by the Security Interest as at the date the company became a Subsidiary is not subsequently increased;

5 Interest and other Calculations

Notes may be interest bearing or non-interest bearing as specified in the applicable Final Terms.

(a) *Interest on Fixed Rate Notes:*

Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(f).

(b) *Interest on Floating Rate Notes and Inflation Linked Notes:*

- (i) *Interest Payment Dates:* Each Floating Rate Note and Inflation Linked Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(f) (and Condition 6, if applicable). Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, **“Interest Payment Date”** shall mean each date which falls the number of months or other period shown hereon as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

- (ii) *Business Day Convention*: If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.
- (iii) *Rate of Interest for Floating Rate Notes*: The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA Determination, Screen Rate Determination and/or Linear Interpolation shall apply, depending upon which is specified hereon.

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

(B) *Screen Rate Determination for Floating Rate Notes*

- (x) Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:
 - (1) the offered quotation; or
 - (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of CMS London or Brussels time in the case of EURIBOR or CMS Brussels or Copenhagen time in the case of CIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations;

- (y) if the Relevant Screen Page is not available or if, sub-paragraph (x)(1) applies and no such offered quotation appears on the Relevant Screen Page or if subparagraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is CMS London, the principal London office of each of the Reference Banks or if the Reference Rate is EURIBOR or CMS Brussels, the principal Euro-zone office of each of the Reference Banks or, if the Reference Rate is CIBOR, the principal Danish office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is CMS London, at approximately 11.00 a.m. (London time), if the Reference Rate is EURIBOR or CMS Brussels, at approximately 11.00 a.m. (Brussels time), or if the Reference Rate is CIBOR, at approximately 11.00 a.m. (Copenhagen time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and
- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be:
 - (1) if the Reference Rate is EURIBOR or CIBOR, the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) or, if the Reference Rate is CIBOR, at approximately 11.00 a.m. (Copenhagen time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is EURIBOR, the Euro-zone interbank market or, if the Reference Rate is CIBOR, the Copenhagen interbank market as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference

Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) or, if the Reference Rate is CIBOR, at approximately 11.00 a.m. (Copenhagen time) on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is EURIBOR, the Euro-zone interbank market or, if the Reference Rate is CIBOR, the Copenhagen interbank market, as the case may be, **provided that**, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period); or

- (2) if the Reference Rate is CMS Brussels or CMS London, a rate determined on the basis of the mid-market annual swap rate, as selected by the Calculation Agent in its sole discretion on the Interest Determination Date at approximately 11.00 a.m. (London time), if the Reference Rate is CMS London or, if the Reference Rate is CMS Brussels, at approximately 11.00 a.m. (Brussels time). The mid-market annual swap rate as referred to in the preceding sentence means the arithmetic mean of the bid and offered rates for the annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating interest rate swap transaction denominated in EUR with respect in CMS Brussels and GBP with respect to CMS London with a maturity equal to the Designated Maturity for in an amount that is representative for a single transaction in the relevant market commencing on the first day of the Interest Period with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/360 day count basis, is equivalent to 6 months.

(C) *Benchmark discontinuation*

(1) *Independent Adviser*

If a Benchmark Event occurs in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 5(b)(iii)(C)(2)) and, in either case, an Adjustment Spread and any Benchmark Amendments (in

accordance with Conditions 5(b)(iii)(C)(3) and 5(b)(iii)(C)(4), respectively). In making such determination, the Independent Adviser appointed pursuant to this Condition 5(b)(iii)(C) shall act in good faith and in a commercially reasonable manner as an expert. In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Trustee, the Paying Agents, the Noteholders or the Couponholders for any determination made by it, pursuant to this Condition 5(b)(iii)(C).

If (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 5(b)(iii)(C)(1) prior to the date which is 10 business days prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Period. If there has not been a first Interest Payment Date, the Rate of Interest shall be the initial Rate of Interest. Where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Period shall be substituted in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, the first paragraph of this Condition 5(b)(iii)(C)(1).

(2) *Successor Rate or Alternative Rate*

If the Independent Adviser, determines that:

- (i) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 5(b)(iii)(C); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 5(b)(iii)(C)).

(3) *Adjustment Spread*

The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate or the Alternative Rate (as the case may be). If the Independent Adviser is unable to determine the quantum of, or a formula or methodology for determining such

Adjustment Spread, then the Successor Rate or Alternative Rate (as applicable) will apply without an Adjustment Spread.

(4) *Benchmark Amendments*

If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 5(b)(iii)(C) and the Independent Adviser, determines (i) that amendments to these Conditions and/or the Trust Deed are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the “**Benchmark Amendments**”) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 5(b)(iii)(C)(5), without any requirement for the consent or approval of Noteholders, vary these Conditions and/or the Trust Deed to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Trustee of a certificate signed by two Directors of the Issuer pursuant to Condition 5(b)(iii)(C)(5), the Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Noteholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, inter alia, by the execution of a deed supplemental to or amending the Trust Deed), provided that the Trustee shall not be obliged so to concur if in the opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Trustee in these Conditions or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

Notwithstanding any other provision of this Condition 5(b)(iii)(C), the Calculation Agent or any Paying Agent is not obliged to concur with the Issuer or the Independent Adviser in respect of any changes or amendments as contemplated under this Condition 5(b)(iii)(C) to which, in the sole opinion of the Calculation Agent or the relevant Paying Agent, as the case may be, would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Calculation Agent or the relevant Paying Agent (as applicable) in the Agency Agreement and/or these Conditions.

In connection with any such variation in accordance with this Condition 5(b)(iii)(C)(4), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(5) *Notices, etc.*

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments determined under this Condition 5(b)(iii)(C) will be notified promptly by the Issuer to the Trustee, the Calculation Agent, the Paying Agents and, in accordance with Condition 17,

the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Noteholders of the same, the Issuer shall deliver to the Trustee, the Calculation Agent and the Paying Agents a certificate signed by two Directors of the Issuer:

- (i) confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate or, as the case may be, the Alternative Rate, (iii) the applicable Adjustment Spread and (iv) the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of this Condition 5(b)(iii)(C); and
- (ii) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

Each of the Trustee, the Calculation Agent and the Paying Agents shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) and without prejudice to the Trustee's or the Calculation Agent's or the Paying Agents' ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents and the Noteholders.

Notwithstanding any other provision of this Condition 5(b)(iii)(C), if following the determination of any Successor Rate, Alternative Rate, Adjustment Spread or Benchmark Amendments (if any), in the Calculation Agent's opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation under this Condition 5(b)(iii)(C), the Calculation Agent shall promptly notify the Issuer thereof and the Issuer shall direct the Calculation Agent in writing as to which alternative course of action to adopt. If the Calculation Agent is not promptly provided with such direction or is otherwise unable (other than due to its own gross negligence, wilful default or fraud) to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Calculation Agent shall be under no obligation to make such calculation or determination and (in the absence of such gross negligence, wilful default or fraud) shall not incur any liability for not doing so.

(6) *Survival of Original Reference Rate*

Without prejudice to the obligations of the Issuer under Condition 5(b)(iii)(C)(1) (2), (3) and (4), the Original Reference Rate and the fallback provisions provided for in Condition 5(b)(iii)(B) will continue to apply unless and until a Benchmark Event has occurred.

(7) *Definitions:*

As used in this Condition 5(b)(iii)(C):

“Adjustment Spread” means either (a) a spread (which may be positive, negative or zero) or (b) a formula or methodology for calculating a spread, in each case to be applied to the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or (if no such recommendation has been made, or in the case of an Alternative Rate);
- (ii) the Independent Adviser determines, is customarily applied to the relevant Successor Rate or the Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Original Reference Rate; or (if Independent Adviser determines that no such spread is customarily applied);
- (iii) the Independent Adviser determines is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be).

“Alternative Rate” means an alternative benchmark or screen rate which the Independent Adviser determines in accordance with Condition 5(b)(iii)(C)(2) is customarily applied in international debt capital markets transactions for the purposes of determining rates of interest (or the relevant component part thereof) in the same Specified Currency as the Notes.

“Benchmark Amendments” has the meaning given to it in Condition 5(b)(iii)(C)(4).

“Benchmark Event” means:

- (3) a public statement by the supervisor of the administrator of the Original Reference Rate, that the Original Reference Rate has been or will be permanently or indefinitely discontinued; or
- (4) a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will be prohibited from being used either generally, or in respect of the Notes; or
- (5) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original

Reference Rate is or will be (or is or will be deemed by such supervisor to be) no longer representative of its relevant underlying market; or

- (6) it has become unlawful for any Paying Agent, the Calculation Agent, the Issuer or other party to calculate any payments due to be made to any Noteholder using the Original Reference Rate;

provided that the Benchmark Event shall be deemed to occur (a) in the case of sub-paragraphs (2) and (3) above, on the date of the cessation of publication of the Original Reference Rate or the discontinuation of the Original Reference Rate, as the case may be, (b) in the case of sub-paragraph (4) above, on the date of the prohibition of use of the Original Reference Rate and (c) in the case of sub-paragraph (5) above, on the date with effect from which the Original Reference Rate will no longer be (or will be deemed by the relevant supervisor to no longer be) representative of its relevant underlying market and which is specified in the relevant public statement, and, in each case, not the date of the relevant public statement.

The occurrence of a Benchmark Event shall be determined by the Issuer and promptly notified to the Trustee, the Calculation Agent and the Paying Agents. For the avoidance of doubt, neither the Trustee, the Calculation Agent nor the Paying Agents shall have any responsibility for making such determination.

“Independent Adviser” means an independent financial institution of international repute or an independent financial adviser with appropriate expertise appointed by the Issuer under Condition 5(b)(iii)(C)(1).

“Original Reference Rate” means the originally-specified benchmark or screen rate (as applicable) used to determine the Rate of Interest (or any component part thereof) on the Notes.

“Relevant Nominating Body” means, in respect of a benchmark or screen rate (as applicable):

- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (c) a group of the aforementioned central banks or other supervisory authorities or (d) the Financial Stability Board or any part thereof.

“Successor Rate” means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

The occurrence of a Benchmark Event shall be determined by the Issuer and promptly notified to the Trustee, the Calculation Agent and the Paying Agents. For the avoidance of doubt, neither the Trustee, the Calculation Agent nor the Paying Agents shall have any responsibility for making such determination.

- (D) *Linear Interpolation:* Where Linear Interpolation is specified hereon as applicable in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified hereon as applicable) or the relevant Floating Rate Option (where ISDA Determination is specified hereon as applicable), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Accrual Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Accrual Period provided however that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Calculation Agent, following consultation with the Issuer and the Guarantor, shall determine such rate at such time and by reference to such sources as it determines appropriate.

(c) ***Zero Coupon Notes:***

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 7(b)(i)).

(d) ***Accrual of Interest:***

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 9).

(e) ***Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:***

- (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 5(b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified hereon, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.

being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the countries of such currency.

(f) ***Calculations:***

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified hereon, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(g) ***Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts:***

Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 11, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

and the Calculation Agent will calculate the Final Redemption Amount, Early Redemption Amount and Optional Redemption Amount (as the case may be) as set out in Condition 5(g).

(b) ***Changes in Circumstances Affecting the Index:***

(i) *Change in Base:*

If at any time and from time to time the Index is changed by the substitution of a new base for it, then with effect from (and including) the month in respect of which such substitution takes effect:

- (A) the definition of Index and Index Figure in Condition 6(f) shall be deemed to refer to the month and/or year (as applicable) in substitution for January 1987 (where RPI is specified as the Index in the relevant Final Terms) or 2015 (where CPI is specified as the Index in the relevant Final Terms) (or, as the case may be, for such other date or month as may have been substituted for it); and
- (B) the definition of Base Index Figure in Condition 6(f) shall be amended to mean the product of the then existing Base Index Figure and the Index Figure immediately following such substitution, divided by the Index immediately prior to such substitution.

(ii) *Delay in publication of the Index:*

If in relation to a particular Interest Accrual Period or to the redemption of all or some only of the Notes and otherwise than in circumstances which the Issuer certifies to the Trustee may fall with Condition 6(d) or Condition 7(d) (notwithstanding that the Issuer may subsequently be advised that they do not fall within Condition 6(d) or Condition 7(d)), the Index Figure relating to any month (the “**calculation month**”) which is required to be taken into account for the purposes of the determination of the Index Figure applicable to any date is not published on or before the fourteenth day before the date on which such payment is due (the “date for payment”), the Index Figure for the relevant calculation month shall be:

- (A) the substitute index figure (if any) as is published by the Bank of England or the United Kingdom Debt Management Office (or such other United Kingdom authority as may be appropriate) for the purposes of indexation or payments on the Reference Gilt or the Indexed Benchmark Gilt (as applicable) or, failing such publication, on any one or more of HM Government’s index-linked stocks that is indexed to the same Index as the Notes, as determined by the Expert; or
- (B) if no such determination is made by the Expert within seven days, the Index Figure last published before the date for payment.

(c) ***Application of Changes:***

Where the provisions of Condition 6(b)(ii) apply, the Issuer shall deliver to the Issuing and Paying Agent and Calculation Agent a certificate, acting on the sole advice of the Expert, as to the Index Figure applicable to the date for payment which shall be conclusive and binding. If a substitute index is published as specified in Condition 6(b)(ii)(A) above, a determination made based on that Index shall be final and no further payment by way of adjustment shall be made, notwithstanding that the Index Figure applicable to the date for payment may subsequently be published.

If no substitute index is so published and the index relating to the date for payment is subsequently published then:

- (i) in the case of an Inflation Linked Note not falling due for redemption on the date for payment of interest or principal (as the case may be), if the index so subsequently published (if published when such Note remains outstanding) is greater or less than the Index applicable by virtue of Condition 6(b)(ii)(B), the interest payable on that Note on the Interest Payment Date next succeeding the date of such subsequent publication shall be increased or reduced to reflect the amount by which the interest or principal (as the case may be) next payable on that Note on the date for payment on the basis of the index applicable by virtue of the preceding paragraph fell short of, or (as the case may be) exceeded the interest or principal (as the case may be) which would have been payable on that Note if the Index subsequently published had been published on or before the fourteenth business day before the date for payment; or
 - (ii) in the case of any Note falling due for final redemption on the date of payment, no subsequent adjustment to amounts paid will be made.
- (d) ***Cessation of or Fundamental Changes to the Index:***

If the Index ceases to be published or any changes are made to it which, in the opinion of the Expert, constitute a fundamental change in the rules governing the Index and the change would, in the opinion of the Expert, be detrimental to the interests of the Issuer, the Guarantor or the Noteholders and if, within 30 days after its appointment (or such longer period as the Trustee may in its sole discretion agree), the Expert recommends for the purposes of the Inflation Linked Notes one or more adjustments to the Index or substitute index (with or without adjustments), then provided that such adjustments or substitute index (as the case may be) are not materially detrimental (in the opinion of the Expert) to the interests of the Issuer, the Guarantor or the Noteholders, as compared to the interests of the Issuer, the Guarantor and the Noteholders (as the case may be) as they would have been had the Index continued to be published or such fundamental change in the rules governing the Index had not been made, the Index shall be adjusted as so recommended or (as the case may be) shall be replaced by the substitute index so recommended (as so adjusted, if so recommended) and references in these Conditions to the Index shall be construed accordingly and the Issuer shall notify the Noteholders of the adjustments to the Index or the introduction of the substitute index (with or without adjustments) in accordance with Condition 16.

If any payment in respect of the Inflation Linked Notes is due to be made after the cessation or changes referred to in the preceding paragraph but before any such adjustment to, or replacement of, the Index takes effect, the Issuer or, if the Upstream Guarantee in the case of such Notes were called, the Guarantor shall (if the Index Figure applicable (or deemed applicable) to the date of payment is not available in accordance with the provisions of Condition 6(f)) make a provisional payment on the basis that the Index Figure applicable to the date for payment is the Index last published. In that event or in the event of any payment on the Inflation Linked Notes having been made on the basis of an index deemed applicable under Condition 6(b)(ii)(A) above (also referred to below as a “provisional payment”) the Expert subsequently determines that the relevant circumstances fall within this Condition 6(d), then:

- (i) except in the case of a payment on redemption of the Inflation Linked Notes, if the sum which would have been payable if such adjustments or such substitute index had been in effect on the due date for such provisional payment is greater or less than the amount of such provisional payment, the interest payable on the Inflation Linked Notes on the Interest

Payment Date next succeeding the date on which the Issuer, the Guarantor and the Trustee receive such recommendation shall be increased or reduced to reflect the amount by which such provisional payment of interest fell short or, (as the case may be) exceeded, the interest which would have been payable on the Notes if such adjustments or such substituted index had been in effect on that date; or

- (ii) in the case of a payment of principal or interest on redemption of the Notes, no subsequent adjustment to amounts paid will be made.

(e) ***Trustee Action and/or Steps:***

The Trustee shall be entitled to assume that no cessation of or change to the Index has occurred until notified otherwise by the Issuer and/or the Guarantor and it will not be responsible for identifying or appointing an Expert. The Trustee may rely absolutely on any determination made or advice given by the Expert without need for further investigation.

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 7, each Note that provides for Instalment Dates and Instalment Amounts (other than an Inflation Linked Note) shall be partially redeemed on each Instalment Date at the related Instalment Amount specified hereon. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed, purchased and cancelled as provided below, each Note (other than an Inflation Linked Note) shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided hereon, is its nominal amount) or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount.

The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

- (ii) *Notes other than Zero Coupon Notes:* The Early Redemption Amount payable in respect of any Note (other than Zero Coupon Notes described in (i) above), upon redemption of such Note pursuant to Condition 7(c) or Condition 7(d) or upon it becoming due and payable as provided in Condition 11, shall be the Final Redemption Amount unless otherwise specified hereon.

(c) ***Redemption for Taxation Reasons:***

(d) ***Redemption for Index Reasons:***

In the case of Inflation Linked Notes, if Redemption for Index Reasons is specified hereon and where:

- (i) the Index ceases to be published or any changes are made to it which, in the opinion of an Expert, constitute a fundamental change in the rules governing the Index and the change would, in the opinion of the Expert, be detrimental to the interests of the Noteholders and if the Expert fails within 30 days after its appointment (or such longer period as the Trustee may in its sole discretion agree), or states to the Issuer, the Guarantor and the Trustee that it is unable, to recommend for the purposes of the Notes any adjustments to the Index or any substitute index (with or without adjustments), as described in Condition 6(d), the Issuer shall, within 14 days of the expiry of such period or (as the case may be) after the date of such statement, give notice (which shall be irrevocable and shall state the date fixed for redemption which shall not be more than 15 days after the date on which the notice is given) to redeem the Notes then outstanding, at a price equal to their nominal amount multiplied by the Index Ratio applicable to the date on which the date fixed for redemption falls, together with accrued interest; or
- (ii) the Index ceases to be published or any changes are made to it which, in the opinion of an Expert, constitute a fundamental change in the rules governing the Index and the change would, in the opinion of the Expert, be detrimental to the interests of the Issuer or the Guarantor (as the case may be) and if the Expert fails within 30 days after its appointment (or such longer period as the Trustee may in its sole discretion agree), or states to the Issuer, the Guarantor and the Trustee that it is unable, to recommend for the purposes of the Notes any adjustments to the Index or any substitute index (with or without adjustments), as described in Condition 6(d), the Issuer may at its option, within 14 days of the expiry of such period or (as the case may be) after the date of such statement, give notice (which shall be irrevocable and shall state the date fixed for redemption which shall not be more than 15 days after the date on which the notice is given) to redeem the Notes then outstanding, at a price equal to their nominal amount multiplied by the Index Ratio applicable to the date on which the date fixed for redemption falls, together with accrued interest,

provided that no change as set out in Condition 7(d)(i) shall constitute a fundamental change in the rules governing the Index which would be detrimental to the interests of the Noteholders unless (i) the Fundamental Change Reference Bond specified hereon contains similar terms allowing redemption on a fundamental change to the relevant index and (ii) a notice has been published offering holders of the Fundamental Change Reference Bond the right to redeem such Fundamental Change Reference Bonds in accordance with their terms.

(e) ***Redemption at the Option of the Issuer:***

If Call Option is specified hereon, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified hereon), redeem all or, if so provided, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified hereon and no greater than the Maximum Redemption Amount to be redeemed specified hereon.

If Make-Whole Redemption is specified hereon, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified hereon), redeem all or, if so provided, some of the Notes at any time or from time to time (i) where no particular period during which Make-Whole Redemption is applicable is specified, prior to their Maturity Date, or (ii) where Make-Whole Redemption is specified as only being applicable for a certain period, during such period, in each case on the date for redemption specified in such notice (the "**Make-Whole Redemption Date**") at the Make-Whole Redemption Rate.

In the case of Notes other than Inflation Linked Notes where CPI is specified as the Index in the relevant Final Terms, the Make-Whole Redemption Amount will be calculated by the Financial Advisor and will be the greater of:

- (i) 100 per cent. of the principal amount of the Notes so redeemed (where applicable, adjusted for indexation in accordance with Condition 6); and
- (ii) the sum of the then present values of the remaining scheduled payments of principal and interest on such Notes (not including any interest accrued on the Notes to, but excluding, the relevant Make-Whole Redemption Date) discounted to the relevant Make-Whole Redemption Date on an annual basis at the Make-Whole Redemption Rate plus the Make-Whole Redemption Margin, if any, specified in the applicable Final Terms, plus, in each case, any interest accrued on the Notes to, but excluding, the Make-Whole Redemption Date.

In the case of Inflation Linked Notes where CPI is specified as the Index in the relevant Final Terms:

- (i) unless the Financial Advisor advises the Issuer and the Guarantor that an appropriate CPI Gilt is outstanding which would be utilised, at the time of selection and in accordance with customary financial practice at such time, in pricing new issues of corporate debt securities with a similar remaining weighted average life to the Notes, the Make-Whole Redemption Amount will be calculated by the Financial Advisor and will be the greater of:
 - a. 100 per cent. of the principal amount of the Notes so redeemed (adjusted for indexation in accordance with Condition 6); and
 - b. the RPI Adjusted Redemption Amount; or
- (ii) if the Financial Advisor advises the Issuer and the Guarantor that an appropriate CPI Gilt is outstanding (the "**Redemption Reference CPI Gilt**") which would be utilised, at the time of selection and in accordance with customary financial practice at such time, in pricing new issues of corporate debt securities with a similar remaining weighted average life to the Notes, the Make-Whole Redemption Amount will be calculated by the Financial Advisor and will be the greater of:

- a. 100 per cent. of the principal amount of the Notes so redeemed (adjusted for indexation in accordance with Condition 6) and
- b. the sum of the then present values of the remaining scheduled payments of principal and interest on such Notes (not including any interest accrued on the Notes to, but excluding, the relevant Make-Whole Redemption Date) discounted to the relevant Make-Whole Redemption Date on an annual basis at the CPI Make-Whole Redemption Rate plus the Make-Whole Redemption Margin, if any, specified in the applicable Final Terms, plus, in each case, any interest accrued on the Notes to, but excluding, the Make-Whole Redemption Date.

All Notes in respect of which any such notice of redemption is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption, the notice to Noteholders shall also contain the certificate numbers of the Bearer Notes, or in the case of Registered Notes shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes, to be redeemed, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

8 Payments and Talons

(a) *Bearer Notes:*

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and **provided that** the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 8(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 8(f)(ii)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. “**Bank**” means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

(c) *Payments in the United States:*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer and the Guarantor shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer and the Guarantor, any adverse tax consequence to the Issuer or the Guarantor.

(d) *Payments subject to Fiscal Laws:*

Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 10).
- (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.

- (iv) Upon the due date for redemption of any Bearer Note that is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.

- (v) Where any Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(h) **Non-Business Days:**

If any date for payment in respect of any Note, Receipt or Coupon is not a business day the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as “**Financial Centres**” hereon and:

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the nominal amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Instalment Amount or Redemption Amount is shown hereon, to reduce any such Minimum and/or Maximum Rate of Interest, Instalment Amount or Redemption Amount, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, or (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in nominal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

These Conditions may be completed in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

(b) *Modification of the Trust Deed:*

The Trustee may agree, without the consent of the Noteholders or Couponholders, to (i) any modification of any of the provisions of the Trust Deed that in its opinion is of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of the Trust Deed that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. Any such modification, authorisation or waiver shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as practicable.

(c) *Substitution:*

The Trust Deed contains provisions permitting the Trustee to agree, subject to such amendment of the Trust Deed and such other conditions as the Trustee may require, but without the consent

of the Noteholders or the Couponholders, to the substitution of certain other entities (a) in place of the Issuer, its successor in business or of any previously substituted company as principal debtor under the Trust Deed and the Notes (the “**Substituted Debtor**”) or (b) in place of the Guarantor, its successor in business or of any previously substituted company, as guarantor under the Trust Deed and the Notes (the “**Substituted Guarantor**”) **provided that** (i) in the case of a substitution of the Issuer (unless the Issuer’s successor in business is the Substituted Debtor), the obligations of the Substituted Debtor under the Trust Deed, the Notes, the Receipts and the Coupons are guaranteed by the Issuer to the Trustee’s satisfaction and such other conditions as the Trustee may require; (ii) in the case of a substitution of the Guarantor (unless the Guarantor’s successor in business is the Substituted Guarantor), such Substituted Guarantor is a Subsidiary of Ørsted whose financial statements at any time are required by law or in accordance with generally accepted accounting principles to be fully consolidated with those of Ørsted, which shall be certified in writing by two directors of the Substituted Guarantor to the Trustee, which certificate shall be conclusive and binding; and (iii) in either of the foregoing cases, no payment in respect of the Notes or the Coupons or Talons relating to them is at the relevant time overdue. In the case of such a substitution the Trustee may agree, without the consent of the Noteholders or the Couponholders, to a change of the law governing the Notes, the Receipts, the Coupons, the Talons and/or the Trust Deed **provided that** such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders.

(d) ***Entitlement of the Trustee:***

In connection with the exercise of its functions (including but not limited to those referred to in this Condition) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer or the Guarantor any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders.

13 Enforcement

At any time after the Notes become due and payable, the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer and/or the Guarantor as it may think fit to enforce the terms of the Trust Deed, the Notes, the Receipts and the Coupons, but it need not take any such proceedings unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one-fifth in nominal amount of the Notes outstanding, and (b) it shall have been indemnified to its satisfaction. No Noteholder, Receiptholder or Couponholder may proceed directly against the Issuer or the Guarantor unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

14 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer, the Guarantor and any entity related to the Issuer or the Guarantor without accounting for any profit.

15 Replacement of Notes, Certificates, Receipts, Coupons and Talons

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or

Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

16 Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further securities having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with outstanding securities of any Series. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Notes.

17 Notices

Notices required to be given to the holders of Registered Notes pursuant to the Conditions shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices required to be given to the holders of Bearer Notes pursuant to the Conditions shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*). So long as the Notes are listed and/or admitted to trading on an exchange, notices required to be given to the holders of such Notes pursuant to the Conditions shall also be published (if such publication is required) in a manner which complies with the rules and regulations of the relevant stock exchange on which the Notes are listed and/or admitted to trading. In the case of Notes listed on the Luxembourg Stock Exchange, notices required to be given to the holders of the Notes pursuant to the Conditions shall also be published either on the website of the Luxembourg Stock Exchange (www.bourse.lu) or in a daily newspaper with general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

18 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

19 Governing Law and Jurisdiction

(a) ***Governing Law:***

The Trust Deed, the Upstream Guarantee, the Notes, the Receipts, the Coupons and the Talons, and any non-contractual obligations arising out of or in connection with them, are governed by, and shall be construed in accordance with, English law.

(b) ***Jurisdiction:***

The Courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons (“**Proceedings**”) may be brought in such courts. Each of the Issuer and the Guarantor has in the Trust Deed irrevocably submitted to the jurisdiction of such courts.

(c) ***Service of Process:***

Each of the Issuer and the Guarantor has in the Trust Deed irrevocably appointed an agent in England to receive, for it and on its behalf, service of process in any Proceedings in England.

Convening a meeting

- 3** The Issuer, the Guarantor or the Trustee may at any time convene a meeting. If it receives a written request by Noteholders holding at least 10 per cent. in nominal amount of the Notes of any Series for the time being outstanding and is indemnified to its satisfaction against all costs and expenses, the Trustee shall convene a meeting of the Noteholders of that Series. Every physical meeting shall be held at a time and place approved by the Trustee and in accordance with applicable mandatory requirements under the rules on listed securities. Every virtual meeting shall be held via an electronic platform and at a time approved by the Trustee. Every hybrid meeting shall be held at a time and place and via an electronic platform approved by the Trustee.
- 4** At least 21 days' notice (exclusive of the day on which the notice is given and of the day of the meeting) shall be given to the Noteholders. A copy of the notice shall be given by the party convening the meeting to the other parties. The notice shall specify the day and time of the meeting and manner in which it is to be held, and if a physical meeting or hybrid meeting is to be held, the place of the meeting and, unless the Trustee otherwise agrees, the nature of the resolutions to be proposed and shall explain how Noteholders may appoint

proxies or representatives, obtain voting certificates and use block voting instructions and the details of the time limits applicable. With respect to a virtual meeting or a hybrid meeting, each such notice shall set out such other and further details as are required under paragraph 35.

Arrangements for voting

- 5** If a holder of a Bearer Note wishes to obtain a voting certificate in respect of it for a meeting, he must deposit it for that purpose at least 48 hours before the time fixed for the meeting with a Paying Agent or to the order of a Paying Agent with a bank or other depository nominated by the Paying Agent for the purpose. The Paying Agent shall then issue a voting certificate in respect of it.
- 6** A voting certificate shall:
- 6.1** be a document in the English language;
 - 6.2** be dated;
 - 6.3** specify the meeting concerned and the serial numbers of the Notes deposited; and
 - 6.4** entitle, and state that it entitles, its bearer to attend and vote at that meeting in respect of those Notes.
- 7** Once a Paying Agent has issued a voting certificate for a meeting in respect of a Note, it shall not release the Note until either:
- 7.1** the meeting has been concluded or
 - 7.2** the voting certificate has been surrendered to the Paying Agent.
- 8** If a holder of a Bearer Note wishes the votes attributable to it to be included in a block voting instruction for a meeting, then, at least 48 hours before the time fixed for the meeting, (i) the holder must deposit the Note for that purpose with a Paying Agent or to the order of a Paying Agent with a bank or other depository nominated by the Paying Agent for the purpose and (ii) the holder or a duly authorised person on their behalf must direct the Paying Agent how those votes are to be cast. The Paying Agent shall issue a block voting instruction in respect of the votes attributable to all Notes so deposited.
- 9** A block voting instruction shall:
- 9.1** be a document in the English language;
 - 9.2** be dated;
 - 9.3** specify the meeting concerned;
 - 9.4** list the total number and serial numbers of the Notes deposited, distinguishing with regard to each resolution between those voting for and those voting against it;
 - 9.5** certify that such list is in accordance with Notes deposited and directions received as provided in paragraphs 8, 11 and 14; and
 - 9.6** appoint a named person (a “**proxy**”) to vote at that meeting in respect of those Notes and in accordance with that list.

A proxy need not be a Noteholder.

- 10** Once a Paying Agent has issued a block voting instruction for a meeting in respect of the votes attributable to any Notes:
- 10.1** it shall not release the Notes, except as provided in paragraph 11, until the meeting has been concluded; and
- 10.2** the directions to which it gives effect may not be revoked or altered during the 48 hours before the time fixed for the meeting.
- 11** If the receipt for a Note deposited with a Paying Agent in accordance with paragraph 8 is surrendered to the Paying Agent at least 48 hours before the time fixed for the meeting, the Paying Agent shall release the Note and exclude the votes attributable to it from the block voting instruction.
- 12** Each block voting instruction shall be deposited at least 24 hours before the time fixed for the meeting at such place or delivered by another method as the Trustee shall designate or approve, and in default it shall not be valid unless the chairperson of the meeting decides otherwise before the meeting proceeds to business. If the Trustee requires, a notarially certified copy of each block voting instruction shall be produced by the proxy at the meeting or delivered to the Trustee prior to the meeting but the Trustee need not investigate or be concerned with the validity of the proxy's appointment.
- 13** A vote cast in accordance with a block voting instruction shall be valid even if it or any of the Noteholders' instructions pursuant to which it was executed has previously been revoked or amended, unless written intimation of such revocation or amendment is received from the relevant Paying Agent by the Issuer or the Trustee at its registered office or by the chairperson of the meeting in each case at least 24 hours before the time fixed for the meeting.
- 14** No Note may be deposited with or to the order of a Paying Agent at the same time for the purposes of both paragraph 5 and paragraph 8 for the same meeting.
- 15**
- 15.1** A holder of a Registered Note may, by an instrument in writing in the form available from the specified office of a Transfer Agent in the English language executed by or on behalf of the holder and delivered to the Transfer Agent at least 24 hours before the time fixed for a meeting, appoint any person (a "**proxy**") to act on his behalf in connection with that meeting. A proxy need not be a Noteholder.
- 15.2** A corporation which holds a Registered Note may by delivering to a Transfer Agent at least 24 hours before the time fixed for a meeting a certified copy of a resolution of its directors or other governing body (with, if it is not in English, a certified translation into English) authorise any person to act as its representative (a "**representative**") in connection with that meeting.

Chairperson

- 16** The chairperson of a meeting shall be such person as the Trustee may nominate in writing, but if no such nomination is made or if the person nominated is not present within 15 minutes after the time fixed for the meeting the Noteholders or agents present shall choose one of their number to be chairperson, failing which the Issuer may appoint a chairperson. The chairperson need not be a Noteholder or agent. The chairperson of an adjourned meeting need not be the same person as the chairperson of the original meeting.

Attendance

- 17 The following may attend and speak at a meeting:
 - 17.1 Noteholders and agents;
 - 17.2 the chairperson;
 - 17.3 the Issuer, the Guarantor and the Trustee (through their respective representatives) and their respective financial and legal advisers; and
 - 17.4 the Dealers and their advisers.
- No-one else may attend, participate and/or speak.

Quorum and Adjournment

- 18 No business (except choosing a chairperson) shall be transacted at a meeting unless a quorum is present at the commencement of business. If a quorum is not present within 15 minutes from the time initially fixed for the meeting, it shall, if convened on the requisition of Noteholders or if the Issuer and the Trustee agree, be dissolved. In any other case it shall be adjourned until such date, not less than 14 nor more than 42 days later, and time and place or manner in which it is to be held as the chairperson may decide. If a quorum is not present within 15 minutes from the time fixed for a meeting so adjourned, the meeting shall be dissolved.
- 19 Two or more Noteholders or agents present at the meeting shall be a quorum:
 - 19.1 in the cases marked “No minimum proportion” in the table below, whatever the proportion of the Notes which they represent;
 - 19.2 in any other case, only if they represent the proportion of the Notes shown by the table below.

COLUMN 1	COLUMN 2	COLUMN 3
Purpose of meeting	Any meeting except one referred to in column 3	Meeting previously adjourned through want of a quorum

	Required proportion	Required proportion
To pass a special quorum resolution	75 per cent.	25 per cent.
To pass any other Extraordinary Resolution	A clear majority	No minimum proportion
Any other purpose	10 per cent.	No minimum proportion

- 20 The chairperson may with the consent of (and shall if directed by) a meeting adjourn the meeting from time to time and from place to place and alternate manner. Only business which could have been transacted at the original meeting may be transacted at a meeting adjourned in accordance with this paragraph or paragraph 18.

- 21** At least 10 days' notice of a meeting adjourned through want of a quorum shall be given in the same manner as for an original meeting and that notice shall state the quorum required at the adjourned meeting. No notice need, however, otherwise be given of an adjourned meeting.

Voting

- 22** At a meeting which is held only as a physical meeting, each question submitted to such meeting shall be decided by a show of hands unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by the chairperson, the Issuer, the Guarantor, the Trustee or one or more persons representing 2 per cent. of the Notes.
- 23** Unless a poll is demanded a declaration by the chairperson that a resolution has or has not been passed shall be conclusive evidence of the fact without proof of the number or proportion of the votes cast in favour of or against it.
- 24** If a poll is demanded, it shall be taken in such manner and (subject as provided below) either at once or after such adjournment as the chairperson directs. The result of the poll shall be deemed to be the resolution of the meeting at which it was demanded as at the date it was taken. A demand for a poll shall not prevent the meeting continuing for the transaction of business other than the question on which it has been demanded.
- 25** A poll demanded on the election of a chairperson or on a question of adjournment shall be taken at once.
- 26** On a show of hands every person who is present in person and who produces a Bearer Note, a Certificate of which he is the registered holder or a voting certificate or is a proxy or representative has one vote. On a poll every such person has one vote in respect of each integral currency unit of the Specified Currency of such Series of Notes so produced or represented by the voting certificate so produced or for which he is a proxy or representative. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.
- 27** In case of equality of votes the chairperson shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.
- 28** At a virtual meeting or a hybrid meeting, a resolution put to the vote of the meeting shall be decided on a poll in accordance with paragraph 37, and any such poll will be deemed to have been validly demanded at the time fixed for holding the meeting to which it relates.

Effect and Publication of an Extraordinary Resolution

- 29** An Extraordinary Resolution shall be binding on all the Noteholders, whether or not present at the meeting, and on all the Couponholders and each of them shall be bound to give effect to it accordingly. The passing of such a resolution shall be conclusive evidence that the circumstances justify its being passed. The Issuer shall give notice of the passing of an Extraordinary Resolution to Noteholders within 14 days but failure to do so shall not invalidate the resolution.

Minutes

- 30** Minutes shall be made of all resolutions and proceedings at every meeting and, if purporting to be signed by the chairperson of that meeting or of the next succeeding meeting, shall be

conclusive evidence of the matters in them. Until the contrary is proved every meeting for which minutes have been so made and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

Written Resolutions

- 31** A written resolution signed by the holders of 90 per cent. in nominal amount of the Notes outstanding shall take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

Trustee's Power to Prescribe Regulations

- 32** Subject to all other provisions in this Trust Deed and to applicable mandatory requirements under the rules on listed securities the Trustee may without the consent of the Noteholders prescribe or approve such further regulations regarding the holding of meetings and attendance and voting at them as it in its sole discretion determines or as proposed by the Issuer or the Guarantor including (without limitation) such requirements as the Trustee thinks reasonable to satisfy itself that the persons who purport to make any requisition in accordance with this Trust Deed are entitled to do so and as to the form of voting certificates or block voting instructions so as to satisfy itself that persons who purport to attend or vote at a meeting are entitled to do so.
- 33** The holder of a Global Note or Global Certificate shall (unless such Global Note or Global Certificate represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders.
- 34** The foregoing provisions of this Schedule shall have effect subject to the following provisions:
- 34.1** Meetings of Noteholders of separate Series will normally be held separately. However, the Trustee may from time to time determine that meetings of Noteholders of separate Series shall be held together.
- 34.2** A resolution that in the opinion of the Trustee affects one Series alone shall be deemed to have been duly passed if passed at a separate meeting of the Noteholders of the Series concerned.
- 34.3** A resolution that in the opinion of the Trustee affects the Noteholders of more than one Series but does not give rise to a conflict of interest between the Noteholders of the different Series concerned shall be deemed to have been duly passed if passed at a single meeting of the Noteholders of the relevant Series provided that for the purposes of determining the votes a Noteholder is entitled to cast pursuant to paragraph 26, each Noteholder shall have one vote in respect of each €1,000 nominal amount of Notes held, converted, if such Notes are not denominated in Euro, in accordance with Clause 11.13.
- 34.4** A resolution that in the opinion of the Trustee affects the Noteholders of more than one Series and gives or may give rise to a conflict of interest between the Noteholders of the different Series concerned shall be deemed to have been duly passed only if it shall be duly passed at separate meetings of the Noteholders of the relevant Series.

- 34.5** To all such meetings as aforesaid all the preceding provisions of this Schedule shall mutatis mutandis apply as though references therein to Notes and to Noteholders were references to the Notes and Noteholders of the Series concerned.

Additional provisions applicable to Virtual and/or Hybrid Meetings

- 35** The Issuer, the Guarantor (in each case, with the Trustee's prior approval) or the Trustee in its sole discretion may decide to hold a virtual meeting or a hybrid meeting and, in such case, shall provide details of the means for Noteholders or their proxies or representatives to attend, participate in and/or speak at the meeting, including the electronic platform to be used.
- 36** The Issuer, or the Guarantor or the chairperson (in each case, with the Trustee's prior approval) or the Trustee in its sole discretion may make any arrangement and impose any requirement or restriction as is necessary to ensure the identification of those entitled to take part in the virtual meeting or hybrid meeting and the suitability of the electronic platform. All documentation that is required to be passed between persons at or for the purposes of the virtual meeting or persons attending the hybrid meeting via the electronic platform (in each case, in whatever capacity) shall be communicated by email (or such other medium of electronic communication as the Trustee may approve).
- 37** All resolutions put to a virtual meeting or a hybrid meeting shall be voted on by a poll in accordance with paragraphs 24-27 above (inclusive).
- 38** Persons seeking to attend, participate in, speak at or join a virtual meeting or a hybrid meeting via the electronic platform, shall be responsible for ensuring that they have access to the facilities (including, without limitation, IT systems, equipment and connectivity) which are necessary to enable them to do so.
- 39** In determining whether persons are attending, participating in or joining a virtual meeting or a hybrid meeting via the electronic platform, it is immaterial whether any two or more members attending it are in the same physical location as each other or how they are able to communicate with each other.
- 40** Two or more persons who are not in the same physical location as each other attend a virtual meeting or a hybrid meeting if their circumstances are such that if they have (or were to have) rights to speak or vote at that meeting, they are (or would be) able to exercise them.
- 41** The chairperson of the meeting reserves the right to take such steps as the chairperson shall determine in its absolute discretion to avoid or minimise disruption at the meeting, which steps may include (without limitation), in the case of a virtual meeting or a hybrid meeting, muting the electronic connection to the meeting of the person causing such disruption for such period of time as the chairperson may determine.
- 42** The Issuer, or the Guarantor (in each case, with the Trustee's prior approval) or the Trustee in its sole discretion may make whatever arrangements they consider appropriate to enable those attending a virtual meeting or a hybrid meeting to exercise their rights to speak or vote at it.
- 43** A person is able to exercise the right to speak at a virtual meeting or a hybrid meeting when that person is in a position to communicate to all those attending the meeting, during the meeting, as contemplated by the relevant provisions of this Schedule.
- 44** A person is able to exercise the right to vote at a virtual meeting or a hybrid meeting when:

- 44.1** that person is able to vote, during the meeting, on resolutions put to the vote at the meeting; and
 - 44.2** that person's vote can be taken into account in determining whether or not such resolutions are passed at the same time as the votes of all the other persons attending the meeting who are entitled to vote at such meeting.
- 45** The Trustee shall not be responsible or liable to the Issuer, or the Guarantor or any other person for the security of the electronic platform used for any virtual meeting or hybrid meeting or for accessibility or connectivity or the lack of accessibility or connectivity to any virtual meeting or hybrid meeting.
