Bureau Veritas Certification

Ørsted A/S

Kraftværksvej 53, 7000 Fredericia, Denmark

This is a multi-site certificate. Additional site details are listed in the appendix to this certificate.

Bureau Veritas Certification Denmark A/S certifies that the Management System of the above organization has been audited and found to be in accordance with the requirements of the management system standards detailed below.

Standard

ISO 14001:2015

Scope of certification

Development, design, construction, operation, warehousing and decommissioning of offshore assets, combined power and heat assets, provision of green energy and waste solutions and additional energy services to Ørsted customers. (Excluding Onshore wind farms, solar projects and Power to X)

Original cycle start date:	26-02-2009
Expiry date of previous cycle:	NA
Certification/Recertification Audit date:	NA
Certification/Recertification cycle start date:	26-02-2024

Subject to the continued satisfactory operation of the organization's Management System, this certificate expires on: **25-02-2027**

Certificate No.: DK017268 Version: 1 Revision date: **20-02-2024**

Certification Office: Bureau Veritas Certification Denmark A/S
Oldenborggade 25-31, 7000 Fredericia, Denmark

Further clarifications regarding the scope of this certificate and the applicability of the Management System requirements may be obtained by consulting the organization. To check this certificate validity, please call **(+45) 77 311 000**. 1/15
