

**KENNOXHEAD WIND FARM LIMITED**

**ELECTRICITY ACT 1989**

**TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997**

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)  
REGULATIONS 2017**

Notice is hereby given that Kennoxhead Wind Farm Limited, a limited liability company incorporated under the laws of England with registered number 12602263, and having its registered office at Level 25, 1 Canada Square, London, EH14 5AA, and a place of business at 26 Frederick St, Edinburgh, EH2 2JR has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate a wind farm known as Kennoxhead Wind Farm Extension II (Penbreck), south-west of Glespin, South Lanarkshire (Central Grid Reference 274066 622665). The installed capacity of the proposed generating station extension would be around 45.6 MW comprising up to eight turbines with a maximum ground to blade tip height of 220 metres. The proposed development is a second extension to the consented Kennoxhead Wind Farm comprising up to 19 turbines with a maximum blade tip height of 180 metres and has been subject to Environmental Impact Assessment. An EIA Report has been produced to accompany the application for consent.

Kennoxhead Wind Farm Limited has also applied for a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the EIA Report discussing the Company's proposals in more detail and presenting an analysis of the environmental implications, is available for public inspection, free of charge on the application website <https://kennoxheadwind.co.uk> or on the Scottish Government Energy Consents website at [www.energyconsents.scot](http://www.energyconsents.scot) under application reference ECU00003263.

Copies of the EIA Report may be obtained from Kennoxhead Wind Farm Limited (telephone: 0131 243 9100 / email: [uk@brookfieldrenewable.com](mailto:uk@brookfieldrenewable.com)) at a charge of £1,000 per hard copy. A copy of the EIA Report is available in electronic format on CD or USB pen drives free of charge. Copies of a short Non-Technical Summary are also available free of charge.

Any representations to the application may be submitted via the Energy Consents Unit website at [www.energyconsents.scot/Register.aspx](http://www.energyconsents.scot/Register.aspx); by email to the Scottish Government, Energy Consents Unit mailbox at [representations@gov.scot](mailto:representations@gov.scot); or by post to the Scottish Government, Energy Consents Unit, 4<sup>th</sup> Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the Energy Consents Unit receiving representations by post.

Written or emailed representations should be dated, clearly stating the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to [representations@gov.scot](mailto:representations@gov.scot) will receive acknowledgement.

All representations should be received not later than **2<sup>nd</sup> July 2021**, although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal
