

Staying on your radar through challenging times

At Ørsted we understand the importance of remaining available to the maritime & fishing community in order to answer questions, comments, or concerns. A large part of our outreach is done face-to-face, at meetings and out on the docks, but the COVID-19 pandemic has caused us all to limit physical interactions, leading us to begin hosting virtual port hours in March 2020. We understand that virtual meetings are not as traditional as face-to-face interactions but during these exceptional circumstances, we are doing all we can to remain connected to the fishing industry.

Beginning January 20th, 2021, we are changing the schedule of our Weekly Port Hours to:

Monday and Wednesday, 9am – 11am, exclusive of holidays.

If you have any questions or concerns, please reach out to your local Fisheries Liaison during those dedicated hours at the contacts listed below

Rodney Avila
Corporate Fisheries Liaison
