- The contractor continued excavating for conduit on Circuit Drive (outside Blue Beach parking)
- The contractor continued excavating for conduit between Circuit Drive and Camp Ave.
- The contractor is simultaneously backfilling and restoring excavated areas as they progress.

New Interconnection Station & Substation off Camp Avenue

- The contractor continued the King Piledriving activity and the Pipe Piledriving activity.

Upcoming Activities

Week of April 22, 2024

Quonset Development Corporation (along Circuit Drive, Whitecap Drive, and Burlingham Avenue)

- The contractor intends to continue excavation for the underground duct-bank. This work will be located between Circuit Drive and Camp Avenue. The contractor is simultaneously backfilling and restoring excavation as they progress.
- The contractor will continue excavating for duct bank at the Whitecap Dr intersection. on Monday, April 15th. This will require a single lane closure at this intersection of Circuit Drive.

New Interconnection Station & Substation off Camp Avenue

The contractor will continue the King Pile Wall installation and Pipe Piling. Please note, these installations will cause vibrations and some noise as the piles are hammered into the ground. Crews will continue to enter and exit the site with increased regularity.

Week of April 29, 2024:

Quonset Development Corporation (along Circuit Drive, Whitecap Drive, and Burlingham Avenue)

- Crews will be continuing the duct-bank excavation work on Circuit Drive.

New Interconnection Station & Substation off Camp Avenue

- The contractor will be continuing the King & Pipe Pile installation at the substation property on Camp Avenue.
