

**Notice of Intent to Commence Construction
Case 20-T-0617**

Sunrise Wind LLC (SRW) anticipates commencing construction of certain portions of its Sunrise Wind Cable Project (Project) on or after **July 10, 2023**.

Phase I Project Description

This first phase includes several categories of the Project's onshore work. In the coming weeks, SRW will commence work on certain portions of that work, referred to herein as Phase 1A work. Phase 1A work consists of civil work at the Project's Onshore Converter Station, located at 608 Union Ave., Holtsville, NY, and the preparation and use of two laydown yards, which are located at 580 Union Ave., Holtsville and 60 Zorn Blvd., Yaphank, NY. All of this work will occur in the Town of Brookhaven (the Town).

Overall Project Description

New York State Public Service Commission (PSC) issued a Certificate of Environmental Compatibility and Public Need (CECPN) to SRW to construct and operate the Project, which is a 5.2-mile 320 kV DC submarine export cable from the New York State territorial waters boundary to the Smith Point County Park on Fire Island in the Town; 17.5-miles of 320 kV DC onshore, underground transmission cable to a new Onshore Converter Station in the Town; and 1.1 miles of 138 kV AC interconnection cable that will allow interconnection with the existing electric grid. The Project will transmit electricity produced by the Sunrise Wind Farm, to be located in federal waters approximately 30 miles off the east coast of Long Island, to the existing Holbrook Substation.

The Project's Environmental Management and Construction Plan (EM&CP) has been filed with the PSC

and can be viewed on SRW's website (www.sunrisewindny.com) and on the PSC's website, (www.dps.ny.gov).

Construction Timeline

Construction of Phase IA work is expected to begin on or after 7/10/2023. The Project is estimated to be completed by the end of 2025. Additional notices will be sent to neighboring landowners and municipalities prior to the remaining work on the project.

Safety is Our Top Priority

For your safety, please stay out of construction sites, including laydown yard areas. If you need to speak with someone on the project, please use the contact information to the right. If it is an emergency, please dial 911.

Review Documents and Stay Updated

Regular construction updates can be found on the Project's website: www.sunrisewindny.com.

Project regulatory documents are available for public inspection in the following locations:

- Brookhaven Free Library: 273 Beaver Dam Rd, Brookhaven, NY 11719
- Mastics-Moriches-Shirley Library: 407 William Floyd Pkwy, Shirley, NY 11967
- Sachem Public Library: 150 Holbrook Rd, Holbrook, NY 11741.
